A change to your GBP Secured Loan Facility interest rate

Loan Contract. 4401850 : Balance GBP 515,600.91

As a result of the recent GBP base rate change from 5.00% to 4.75% on 7 November 2024, the interest rate applicable to your above Secured Loan Facility has decreased to 6.55% per annum from 7 November 2024.

As a result of the base rate change, the amount of interest you pay will change. We have set out below the date and amount of your last quarterly interest payment and, as an illustration, the amount due for your next and subsequent quarterly interest payments:

	Date interest due	**Interest amount**
Last quarterly interest payment:	20 September 2024	GBP 8,935.44
Next quarterly interest payment: (illustration)*	20 December 2024	GBP 8,638.79
Subsequent quarterly interest payments, starting: (illustration)*	21 March 2025	GBP 8,419.83

* Interest due on your outstanding loan balance is calculated daily (and charged quarterly) and the amount due depends on the number of days in each quarter. This means that the amount charged in subsequent quarters may vary slightly.

Details of the exact amount of interest due in subsequent quarters (including its calculations) and your outstanding loan balance are available on request.

If you have any questions or require further information, please do not hesitate to contact your relationship manager.
