About your statement

Summary statement information

Investment valuations
Please note that the value of investments can increase and decrease in line with stock market movements.

HSBC Funds
The valuation figure is the value of your investment based on the latest bid price available at the statement date.

Capital Secured Growth Funds
The valuation figure takes into account an early redemption charge. Your investment is designed as a fixed term investment in order to achieve the published terms. If you redeem your shareholding before maturity you may receive back less than your original investment.

AssetMaster – Funds
The valuation figure is the value of your investment based on the latest bid price available at the statement date.

AssetMaster – Investment Bonds
The valuation figure is the latest available policy value as at the date of the statement. This may differ from the actual surrender value of your investment due to the possible application of early surrender penalties, market value reductions and other charges.

Borrowing
Borrowing facilities show loan balances, limits and monthly payments. For mortgage accounts, the balance figure that appears on this statement is the outstanding balance on the account, as at the last working day of the previous month. Mortgages are provided by HSBC Bank plc in the UK.

Credit cards and charge cards
This section shows your credit limit and balance of your credit cards and the balance of your international currency cards as at the statement date. This does not replace your usual credit cards. Credit cards are provided by HSBC Bank plc in the UK. The International Currency Charge Cards are issued by American Express® Services Europe Limited.

Currency accounts/investments
Where accounts or investments are held in a currency other than sterling (GBP), we have included on the statement a GBP equivalent for balance/valuation figures. Please note that the exchange rate used in this conversion is for indication purposes only.

You can view your eStatement within our Internet Banking service. An email advice will be sent directly to your email address when your statement is ready for collection.

Fixed Deposit Accounts (Including Fixed Rate Saver)
Principal + Interest
Interest paid before maturity
If you hold a fixed deposit account and the term of the deposit is in excess of 12 months, we will pay you interest annually. The 'Balance' will be the initial sum invested and 'Balance+interest' refers to the amount of interest accrued up to the date of the statement, added to the initial sum invested. Please note that interest may have already been paid away into a nominated account.

Stockmarket Linked Investment Account
The value shown on your statement represents the amount you originally deposited. This is the minimum value you will receive if you hold your deposit until maturity. For details of the potential maximum return at maturity please refer to the product terms and conditions or contact us.

Interest paid at maturity
If you hold a fixed deposit account and the term of the deposit is 12 months or less, we will pay you interest on maturity. The 'Balance' will be the initial sum invested and 'Balance+interest' refers to the amount of interest that will accrue by maturity, added to the initial sum invested.

Maturity/Start Date
If you hold a fixed deposit account the Maturity/Start Date column tells you the date when the deposit is due to mature and the date when you placed the deposit. For example, for a six month deposit placed on the 4 January 2014 the Maturity will be 4 July 2014 and the Start Date will be 4 January 2014.

Unless you give us instructions to the contrary, at the end of the Term your Deposit, plus interest will automatically roll over into a new fixed term. **Please note your rolled deposit account is not a protected deposit in Hong Kong and is not protected by the Deposit Protection Scheme in Hong Kong**. You can withdraw the entire balance of your Account before the end of the Term and close your Account, but we will charge you a fixed fee of £250 (or currency equivalent). You may also be charged a further fee. For more information, please read the full Fixed Term Deposit Account Terms and Conditions which can be found on our website.
