Dear Mrs Marash,

A change to your Sterling Secured Loan Facility interest rate

As a result of the recent Sterling base rate change from 2.25% to 3.00% on 3 November 2022, the interest rate applicable to your above Secured Loan Facility has increased to 4.80% per annum from 3 November 2022.

As a result of the base rate change, the amount of interest you pay will change. We have set out below the date and amount of your last quarterly interest payment and, as an illustration, the amount due for your next and final interest payments:

	Date interest due	Interest amount
Last quarterly interest payment:	16 September 2022	£10,286.03
Next quarterly interest payment: (illustration)*	16 December 2022	£13,544.93
Final interest payment: (illustration)*	20 December 2022	£3,077.26

* Interest due on your outstanding loan balance is calculated daily (and charged quarterly) and the amount due depends on the number of days in each quarter.

If you have any questions or require further information please do not hesitate to contact your relationship manager.

Yours sincerely,

Gary Edwards
