The assets shall be deemed to be approved by the Customer if the Bank has not received notification of an objection within a period of one month from the date of despatch. If the Customer has not received valuations with the required frequency, they are under an obligation to inform the Bank accordingly as quickly as possible.

A current reliable market valuation is not available for a security which has been noted with an asterisk (*) above. As a consequence, the last known price has been quoted. This price may not represent the perceived current market value of the security. The Bank accepts no liability as to any differential between the quoted price and the current market value.

The Bank has no means to assess the market value of securities noted with a hash (#) above. Such securities are not negotiable on a recognised market and as a consequence the value quoted for such securities is the purchase price, a nominal value or zero.
