3.5.4 Conflicts of Interest

In any case where there is, or may be, a conflict of interest between the General Partner, the Management Company and/or the Managing Partner on the one hand and the Partnership on the other hand, the General Partner shall address such a conflict with the Advisory Committee and may present a solution, after considering the relative interests of each party (including its own interest, the interest of the Partnership and the interest of any other Person) and any customary or accepted industry practices and generally accepted accounting practices. If such solution presented by the General Partner is approved by the Advisory Committee it shall be binding on the Partnership and the General Partner, unless the General Partner, the Management Company and/or the Managing Partner resolves to withdraw from the transaction / action which is the subject of the conflict of interest.

(a) Without derogating from the generality of 3.5.4(a) above, without the approval of the Advisory Committee: (i) the Partnership will neither sell an Investment to nor purchase a Portfolio Company from the General Partner, the Managing Partner or any Affiliates thereof, and shall not make an initial investment in an asset which the General Partner, the Managing Partner or any Affiliate thereof manage, control or have economic interest in; *provided, however*, that the foregoing restriction shall not apply to a proposed investment in any entity which, at the time of the proposed investment, is an existing Portfolio Company or is an Affiliate thereof, and (ii) the General Partner, the Managing Partner or any Affiliate thereof shall not invest in a Portfolio Company, *provided, however*, that the foregoing restriction in this 3.5.4 shall not apply to (1) purchases of securities in any Portfolio Company that are traded on a Public Securities Market, (2) purchases of securities pursuant to the exercise of options or warrants received in connection with the performance of services, (3) co-investments with the Partnership, (4) follow-on investments in assets which were acquired by them prior to the Initial Closing Date, or (5) an investment by a Successor Fund.

3.6 SUCCESSOR FUND; OTHER INVESTMENT ENTITIES

3.6.1 Successor Fund.

Without the approval of the Advisory Committee and subject to 3.5.1 and 3.5.2 above, the General Partner and/or the Managing Partner will not begin investing through another investment fund

with an investment objective substantially the same as the Partnership's Investment Objective (a "**Successor Fund**"), prior to the expiration of the Commitment Period; *provided*, *however*, that this limitation shall not apply to any Alternative Investment Vehicle, Parallel Fund, Feeder Fund, an Investment Subsidiary, an investment vehicle organized for co-investments of the Partnership or the formation of or ~~invovlment~~involvement in other funds whose primary investment objective is different from the Fund's Investment Objective. Neither the Partnership nor any Partner shall, solely by reason of this Agreement, have any right, title or interest in or to any Successor Fund.

3.6.2 Feeder Funds.

The General Partner shall be permitted to organize one or more investment vehicles (each, a "**Feeder Fund**") in order to facilitate investments in the Partnership and/or in any Parallel Funds by Persons wishing to make indirect investments in the Partnership or such Parallel Funds, as the case may be. The governing documents of a Feeder Fund will be substantially the same as this Agreement, except to the extent necessary to address the tax, legal, regulatory or similar issues of the investors in a Feeder Fund.

3.6.3 Parallel Fund.

(a) Notwithstanding anything in this Agreement to the contrary, the General Partner may form one or more limited partnerships or other investment vehicles or investment advisory programs or accounts to invest in parallel with the Partnership (each, a "**Parallel Fund**") in order to comply with securities laws or to address tax, legal, regulatory or other issues of investors in such entity or program. The governing documents of each Parallel Fund will be substantially the same as this Agreement, except to the extent necessary to address the tax, legal, regulatory or other issues of the investors in such entity or program. The Partnership, any Feeder Fund and any Parallel Fund, if organized, are sometimes collectively referred to herein as the "**Fund**." The Limited Partners of the Partnership and the limited partners or equivalent non-manager participants in any other Feeder Fund or Parallel Fund are sometimes collectively referred to herein as the "**Fund Investors**".

(b) Except (a) where restricted or prohibited by law, rule, regulation or other applicable restriction, or (b) where the potential returns to investors in the Partnership or a Parallel Fund would be unattractive due to tax, legal, regulatory or other considerations, a Parallel Fund shall invest in every Investment made by the Partnership (other than Temporary Investments) at the same time and on substantially the same terms as the Partnership. Subject to the foregoing, investments shall be allocated between and among the Partnership and any Parallel Funds in proportion to the capital of each entity available for investment, to the extent practicable. The Partnership and any Parallel Funds shall dispose of their investments at the same time, on substantially the same terms, and in the same relative amounts, to the extent practicable. The Partnership and any Parallel Fund shall share

common fees and expenses related to investments in proportion to the capital invested by each entity in such Portfolio Company, to the extent practicable.

3.6.4 Allocation of Investments and Expenses Among Funds.

If, upon subsequent closings of the Partnership and the Parallel Funds (if any), there is a change in the ratios of the aggregate subscriptions made to each such fund out of the Fund Subscriptions, then the General Partner may (a) adjust the allocation of existing Portfolio Companies between and among such funds, including by transferring a portion of investments from one fund to another, (b) adjust the relative amounts paid by such funds in respect of expenses, and (c) adjust such other provisions of this Agreement, to reflect as nearly as practicable the situation that would have existed if the respective aggregate capital commitments made to each fund had always been in the same relative proportions as those in effect after the change in the ratio of capital commitments.

3.6.5 Alternative Investment Vehicles and Investment ~~Subsidieries~~Subsidiaries.

(a) Notwithstanding anything in this Agreement to the contrary, and in addition to the General Partner's authority to form a Parallel Fund and a Feeder Fund, if the General Partner determines in good faith that for legal, tax, regulatory, accounting or other similar reasons it is desirable that an investment be made utilizing an alternative investment structure, the General Partner shall be permitted to structure the making of all or any portion of such investment outside of the Partnership, by requiring any Partner or Partners to, and such Partner or Partners shall, make such investment either directly or indirectly in, and become a limited partner, member, stockholder or other equity owner of, one or more partnerships, limited liability companies, corporations or other vehicles (other than the Partnership) (each, an "**Alternative Investment Vehicle**") (i) of which the General Partner, an affiliate of the General Partner or one or more of their respective partners, members, managers, directors or officers shall serve as general partner, manager or in a similar capacity, and (ii) which shall invest on a parallel basis with, or in lieu of, the Partnership, as the case may be. Additionally, the General Partner shall be permitted to form more than one Alternative Investment Vehicle for the making of a single investment and may require that different Partners invest in different Alternative Investment Vehicles as the General Partner determines to be necessary or advisable for legal, tax, regulatory, accounting or other similar reasons. Nothing in this 3.6.5 shall restrict or apply to the formation of, or restrict the operation of, any Parallel Fund, or any Feeder Fund.

(b) The Limited Partners and the General Partner (or its Affiliate), to the extent of their investment participation in an Alternative Investment Vehicle, may be required to make Contributions directly to such Alternative Investment

Vehicle to the same extent, for the same purposes and on substantially the same terms and conditions as Partners are required to make Contributions to the Partnership, and such Contributions shall reduce the unfunded Subscription of each Partner to the same extent that it would be reduced if made to the Partnership. The organizational documents of any such Alternative Investment Vehicle may be executed on behalf of Limited Partners investing therein by the General Partner pursuant to 14.8.1.

(c) The provisions of this 3.6.5 may be effected by initially forming an Alternative Investment Vehicle, in whole or in part, as an investment of the Partnership, and then distributing the interests in such investment as a special distribution not otherwise subject to the terms of this Agreement to such Partners, and in such amounts, as is necessary or desirable in order to effectuate the purposes of this 3.6.5, as determined by the General Partner.

(d) The Partnership and each Alternative Investment Vehicle shall maintain separate books of account and the Partnership shall not commingle its assets and liabilities with those of any Alternative Investment Vehicle. All items of income, gain, loss and deduction of the Partnership shall be allocated to the Partners, all distributions by the Partnership shall be made to the Partners and all returns of distributions by the Partners shall be made to the Partnership. All items of income, gain, loss and deduction of any Alternative Investment Vehicle shall be allocated to the partners or members of such Alternative Investment Vehicle, all distributions by any Alternative Investment Vehicle shall be made to the partners or other members of such Alternative Investment Vehicle and all returns of distributions by the partners or members of any Alternative Investment Vehicle shall be made to such Alternative Investment Vehicle. Subject to the foregoing but notwithstanding any other provision in this Agreement to the contrary, the economic provisions of this Agreement and the partnership or similar agreement or instrument governing such Alternative Investment Vehicle are intended to be, and hereby shall be, construed in all material respects and effected in such a manner as to cause each Limited Partner individually, and the General Partner and its affiliated entities that may be utilized to effectuate this 3.6.5 collectively, to receive the same aggregate allocations and distributions, at substantially the same times, from the Partnership and the Alternative Investment Vehicles as they would have been entitled to receive if (i) all capital contributions to the Alternative Investment Vehicle were made to, and all distributions from the Alternative Investment Vehicle were made by, the Partnership, (ii) all Alternative Investment Vehicle investments in its portfolio companies and Alternative Investment Vehicle short-term investments were initially acquired by, and were at all times held by, the Partnership, and (iii) all Alternative Investment Vehicle expenses (including management fees incurred or paid by any Alternative Investment Vehicle) were incurred and paid solely by the Partnership; *provided*,

however, that the allocations and distributions may differ as a result of taxes and other expenses paid or payable by the Alternative Investment Vehicle (or any entity included in such vehicle), and, to the extent practicable, such taxes and other expenses shall be borne by the Limited Partners for whose benefit the Alternative Investment Vehicle was established. Without limiting the foregoing, there shall be no duplication of management fees, recalls of distributions or general partner return obligations among the Partnership and the Alternative Investment Vehicles. In the event that a Limited Partner Transfers any portion of its interest hereunder in the absence of a corresponding Transfer of a proportionately equivalent interest of such Limited Partner in each Alternative Investment Vehicle in which it is a limited partner or similar investor, or if any limited partner or similar investor in any Alternative Investment Vehicle Transfers any portion of its interest in any such entity without a corresponding Transfer of a proportionately equivalent interest hereunder, such corresponding transferred and retained interest shall continue to be subject to the provisions of this 3.6.5, unless otherwise determined by the General Partner in its sole discretion.

(e) Any Limited Partner that defaults on its obligations to any Alternative Investment Vehicle in which it invests and becomes a "defaulting partner," "defaulting member" or similar defaulting Person or entity under an agreement or instrument governing such Alternative Investment Vehicle (after giving effect to any applicable cure periods thereunder) shall also be a Defaulting Partner hereunder and any Limited Partner that becomes a Defaulting Partner of the Partnership shall also be a "defaulting partner," "defaulting member" or similar defaulting Person under an agreement or instrument governing such Alternative Investment Vehicle.

(f) Any Alternative Investment Vehicle will provide for the limited liability of the Limited Partners. Further, the economic terms of each Alternative Investment Vehicle shall be substantially the same in all material respects as those of the Partnership; provided that such non-economic terms and conditions may vary to address the legal, tax, regulatory or other similar reasons that led to the formation of such Alternative Investment Vehicle.

(g) Investments made by Alternative Investment Vehicles alongside (rather than in lieu of) the Partnership shall be made and disposed of at substantially the same time and on substantially similar terms as the Partnership, subject in each case to any legal, tax, regulatory, accounting or other similar considerations that may limit the timing, amount or type of such investment or disposition.

(h) If the General Partner determines in good faith that for legal, tax, regulatory, accounting or other similar reasons, or to facilitate the acquisition or

management of Portfolio Companies, it is desirable that an investment be made by the Partnership through one or more partnerships, corporations, trusts or other entities all or substantially all of the beneficial interests in which are held directly or indirectly by the Partnership (an "**Investment Subsidiary**"), the General Partner shall be authorized to establish such Investment Subsidiary and cause the Partnership to utilize it for purposes of making one or more Portfolio Company investments. In connection with such use of an Investment Subsidiary, the General Partner shall also be authorized, but not required, to adjust in good faith the provisions of this Agreement relating to (i) the allocation of net gain, net loss, Partnership Expenses and other similar items and (ii) distributions, to minimize the tax and other costs associated with the use of the Investment Subsidiary and to cause such costs to be borne directly or indirectly by the Limited Partner(s) for whose benefit the Investment Subsidiary was established.

3.6.6 Co-Investment Opportunities and Exercise of Preemption Rights

The General Partner may (but shall not be obligated to), in its sole discretion, offer to one or more Limited Partners or other Persons the opportunity to co-invest in certain investment opportunities with the Partnership or any Alternative Investment Vehicle or Investment Subsidiary and/or to exercise preemption rights granted to the Partnership or to any Investment Subsidiary. The General Partner or its designated Affiliate shall be entitled to receive management fees, carried interest or other compensation in connection with any co-investment or exercise of preemption rights. The General Partner may organize one or more limited partnerships or other investment vehicles to facilitate such co-investment opportunities and/or preemption opportunities. Each Limited Partner, if any, participating in a co-investment opportunity and/or exercising a preemption right shall (i) bear its proportionate share of the expenses associated with the making of such co-investment and/or exercising a preemption right, including any expenses associated with the organization and operation of any such partnership or vehicle and (ii) be solely responsible for its decision to participate in such co-investment opportunity and/or preemption opportunity and the General Partner shall not be deemed to have advised such Limited Partner with respect to such co-investment opportunity and/or preemption right.

3.7 ADVISORY COMMITTEE.

3.7.1 Appointment; Removal.

The Partnership will form a committee (the "**Advisory Committee**"), which shall consist exclusively of Fund Investors (or designated representatives thereof) who are not the Managing Partner, the General Partner, the Management Company or their respective Affiliates, who shall be appointed by the General Partner and may be removed or replaced by the General Partner. If one or more Parallel Funds or Feeder Funds have been formed, then the same Advisory Committee shall serve as the Advisory Committee for the Partnership and such Parallel Fund(s) and Feeder Fund(s) and, to the extent feasible and appropriate, shall make decisions with respect to all such entities on a joint and consistent basis.

3.7.2 Duties.

The duties of the Advisory Committee shall be to:

(a) Review and advise the General Partner regarding potential conflicts of interest submitted to them by the General Partner or regarding such other matters as the General Partner may determine; and

(b) Undertake such other duties as are required by this Agreement or as reasonably requested by the General Partner.

Neither the Advisory Committee nor any member thereof (acting in such capacity) shall undertake any action on behalf of the Fund or have the power to bind the Fund or any authority to act for the Fund or on its behalf.

3.7.3 Reimbursement of Expenses.

Without derogating from the provisions of 12.2.1 below, members of the Advisory Committee shall receive from the Fund reimbursement for any reasonable out of pocket travel expenses incurred in connection with their attendance at meetings of the Advisory Committee, but shall receive no fees or other compensation from the Fund in connection with their duties as members of the Advisory Committee.

3.7.4 Voting; Adoption of Rules and Procedures.

The Advisory Committee will convene from time to time, at the request of the General Partner, and such meetings may be in person, by telephone or by any other electronic medium. All approvals, disapprovals and other actions taken by the Advisory Committee shall be submitted to all members of the Advisory Committee and, except as otherwise provided in this Agreement, shall be authorized by a majority in number of the Advisory Committee members or as otherwise resolved by the General Partner and the members of the Advisory Committee; *provided* that any approval, disapproval or other action to be taken by the Advisory Committee under this Agreement may instead, at the option of the General Partner, be taken by a Majority-in-Interest of the Fund Investors. Any approval, disapproval or other action required or permitted to be taken by the Advisory Committee (or by Majority-in-Interest of the Fund Investors in lieu thereof) may be taken by written consent signed by not less than the majority required to take such approval, disapproval or other action. The General Partner may adopt other rules and procedures, not inconsistent with this Agreement, relating to the conduct of the Advisory Committee's affairs, provided that such rules and procedures shall be subject to the approval of the Advisory Committee.

3.8 ISRAELI TAXATION

The General Partner is authorized to approach (or to authorize another Person to approach) the Tax Authority of the State of Israel (the "**Israeli Tax Authority**") and apply for and negotiate the terms

of one or more tax ruling letters (including any amendments, clarifications and/or any addendums thereto) with respect to the taxation of the Partnership and/or its Partners in Israel (each, an "**Israeli Tax Ruling**"). In addition, the General Partner shall be authorized to implement and comply with any Israeli Tax Ruling granted, if granted, to the Partnership, and require any Partner to make such certifications in writing or otherwise, and to require any Partner to fully disclose the identity of such Partner's equity interest holders (if any), the amount of their respective direct and indirect investments in the Partnership, their tax status and such other information as may be required under, or in order to apply for, obtain, or to comply with, any Israeli Tax Ruling, and each Partner shall be obligated to timely comply in full with all such requirements.

To the extent required under any Israeli Tax Ruling issued to the Partnership and/or as will be reasonably required by the General Partner, each Partner will give its consent to the terms of any Israeli Tax Ruling as those terms apply to such Partner, and will undertake to obey and comply with them. For the avoidance of doubt, it is hereby clarified that the General Partner need not consult with, nor obtain the approval of, any Partner with respect to any of the terms of any Israeli Tax Ruling.

For the avoidance of doubt, each Partner acknowledges and understands that the issuance of an Israeli Tax Ruling and its terms are in the sole discretion of the Israeli Tax Authority. Each Partner further acknowledges that receipt of the Israeli Tax Ruling is not a condition to any closing, and there is no guarantee that the Israeli Tax Ruling will be provided, nor what would be the terms thereof (or that its terms would not change in the future).

ARTICLE 4 - INVESTMENTS AND ACTIVITIES

4.1 INVESTMENT LIMITATION.

Without the approval of the Advisory Committee, the Fund shall not invest more than 15% of the Fund Subscriptions in any single Portfolio Company. The Partnership shall reimburse the General Partner and any Affiliate thereof for all Organizational Expenses incurred by any of them, up to a maximum aggregate amount equal to 1% of the Fund Subscriptions as at the Final Closing Date. 5.3.2 Adjustment for Fees Subject to Offset.

The amount of any transaction fees, directors' fees or advisory or consulting fees, break-up fees or other similar fees, whether in cash or in kind, actually received by the General Partner, the Management Company or the Managing Partner from any Portfolio Company (other than reimbursement of out-of-pocket expenses or in connection with co-investments), net of any taxes paid or payable in connection therewith as assessed by the ~~Gernerall~~General Partner (collectively

"**Fees Subject to Offset**") shall be offset against and reduce the amount of the Management Fee payment next due to the General Partner pursuant to 5.2.2.1. Fees Subject to Offset that would have been applied as an offset to Management Fees next due in accordance with this 5.3.2 but were not so applied shall be carried forward and shall be applied to subsequent Management Fees.

Notwithstanding the above, any Fees Subject to Offset paid to the General Partner, the Management Company or the Managing Partner in respect of a Portfolio Company in which a Parallel Fund (or any other entity formed or managed by the General Partner or an Affiliate thereof has also invested) shall, for purposes of reducing the Management Fee, be allocated between the Partnership and such other fund(s) pro rata in accordance with the relative investments made by each of them in such Portfolio Company.

5.3.3 Allocation of Management Fee Reduction.

Any reduction in the Management Fee pursuant to 5.3.1 and/or 5.3.2 shall be allocated among the Limited Partners in the ratio of the quarterly payments of the Management Fee payable by such Limited Partners which are to be so reduced.

ARTICLE 6 - CAPITAL OF THE PARTNERSHIP

6.1 OBLIGATION TO CONTRIBUTE.

6.1.1 In General.

(a) Each Partner shall make Contributions to the Partnership, in accordance with and subject to the terms of this Agreement, in an aggregate amount equal to such Partner's Subscription. All Contributions shall be made to the Partnership by wire transfer or other transfer of immediately available US$ on the relevant due date and to the account designated for such purpose by the General Partner in drawdown notices issued to the Partners. Except as otherwise provided in this Agreement, each Partner shall be obligated to make payment in full of each required Contribution together with any interest or other amounts due thereon, and no Partner shall make (nor shall the General Partner or the Partnership be obligated to accept) less than the full amount of any such required Contribution.

(b) Each Partner shall pay the Contributions determined in accordance with the provisions of this 6.1.1 and specified in the relevant drawdown notice issued pursuant to 6.1, as the same may be revised pursuant to 6.1.1(c). The required Contribution of each Partner shall be made no later than the drawdown date specified in such drawdown notice, up to an amount not to exceed such Partner's unpaid Subscription.

(c) Notwithstanding 6.1.1(b), if the actual capital Contribution required to be paid by a Partner changes after delivery of a drawdown notice (due, for

example, to a default by another Partner), the General Partner shall issue a revised drawdown notice to the Partners, *provided* that the new drawdown date with respect to the amount of any increase shall be at least five (5) Business Days after the date that such revised drawdown notice is given. Such Partners shall pay any additional capital Contribution thereby required no later than the drawdown date specified in such revised drawdown notice.

6.1.2 Contributions.

The General Partner is authorized to draw down capital Contributions from time to time for any purposes contemplated under this Agreement (subject to 6.1.1.(c) above and 6.1.3 below) upon not less than seven (7) Business Days' prior written notice.

6.1.3 Investment Period.

The period commencing upon the Initial Closing Date and ending on the fourth anniversary of the Final Closing Date, shall be referred to herein as the "**Investment Period**". The Investment Period (i) may be extended by a one-year period if so determined by the General Partner and approved by the Advisory Committee or in accordance with 6.1.4(c), and (ii) may be terminated earlier in accordance with the provisions of 6.1.4 or if so determined by the General Partner, in its sole discretion. After the expiration of the Investment Period, the General Partner shall not cause the Partnership to fund new investments in Portfolio Companies, *other than*: (a) investments as to which, prior to the expiration of the Investment Period, the Partnership and the prospective Portfolio Company in which such investment is to be made (or its Affiliates) have entered into a letter of intent or a term sheet setting forth the material terms and conditions of such investment; (b) follow-on investments in existing Portfolio Companies or their successors; or (c) any other investment in a Portfolio Company not described in (a) and (b) above, if the Advisory Committee approves such capital Contribution.

6.1.4 Key Person Event.

(a) If at any time during the Commitment Period, Mr. Danny Peled does not devote a substantial majority of his business time to the management of the General Partner, the Fund and any Related Entity, the General Partner will provide a written notice thereof to the Limited Partners and the Investment Period will be suspended (a "**Key Person Event**")

(b) The General Partner shall have twelve (12) months from the occurrence of the Key Person Event to prepare and present a plan for the future management of the Partnership and obtain the approval of such plan by the Advisory Committee.

(c) If such approval is obtained, the suspension shall be lifted and the Investment Period shall be extended by the amount of time during which the Investment Period was suspended. If such approval is not obtained, the

suspension shall become permanent as of the date which is 12 months from the date of such occurrence.

6.1.5 Procedure for Notice of Capital Calls; Rescission or Postponement.

The General Partner shall send written notice of a call for capital Contributions, or a rescission or postponement of such a call, to each Limited Partner by electronic mail. A notice calling for capital Contributions may be rescinded or postponed by the General Partner by prompt written notice.

6.1.6 Offsets Against Distributions; No Interest or Withdrawals.

In connection with any call for capital Contributions under this Agreement, the General Partner is authorized to apply cash that would otherwise be distributed to a Partner in satisfaction of such Partner's obligation to make a capital Contribution pursuant to such call, to the extent thereof. The amount applied shall be deemed distributed to the Partner by the Partnership and then contributed by the Partner to the Partnership in satisfaction of such Partner's obligation to contribute capital hereunder and such Partner's Contribution shall be adjusted accordingly. No interest shall accrue on any Partner's Contribution. No Partner shall have the right to withdraw or to be repaid its Contribution except as specifically provided in this Agreement.

6.1.7 Contributions of the General Partner and Associated Persons.

At the Initial Closing Dates, affiliates of the General Partner (the "**Initial Limited Partners**") committed to invest an aggregate amount of US$ 6 million (the "**Initial GP Commitment**"), which has been fully contributed to the Partnership and used by the Partnership prior to the Second Closing Date, to make the Existing Investments and for payment of the Partnership's expenses up until the Second Closing Date.

Notwithstanding anything to the contrary herein, no further amounts are required to be contributed to the Partnership on account of the Initial GP Commitment; *however* as at the Second Closing certain shareholders of the General Partner (and/or Affiliates thereof) will make additional Subscriptions to the Partnership, in an aggregate amount of at least US$ 4,200,000. Other than as provided above or in connection with the return of any distributions pursuant to this Agreement and/or the ~~Ordinace~~Ordinance, no further amounts are required to be contributed to the Partnership by the Initial Limited Partners.

6.1.8 Benefit of Contributions.

The provisions of this Agreement, including this Article 6, are intended to benefit the Partners and, to the fullest extent permitted by law, shall not be construed as conferring any benefit upon any creditor of the Partnership (and no such creditor of the Partnership shall be a third party beneficiary of this Agreement) and neither the Limited Partners nor the General Partner shall have any duty or obligation to any creditor of the Partnership to make any Contribution to the Partnership or to issue any call for capital pursuant to this Agreement, except as specifically provided in this Agreement.

6.2 RETURN OF CERTAIN AMOUNTS SUBJECT TO SUBSEQUENT DRAWDOWN.

6.2.1 Return of Certain Distributions.

(a) To facilitate the distribution of cash or property to the Partners received in connection with Investments in circumstances in which the Partnership may have a continuing obligation to return some portion or all of such cash or property as a result of an indemnification or similar obligation on the part of the Partnership, whether in connection with a breach of representations or warranties or otherwise, the General Partner may cause the Partnership to distribute cash or property at any time to the Partners subject to the requirement that an amount of cash equal to all or a portion of such cash or property be returned to the Partnership to satisfy such indemnification or similar obligation. Any amounts required by the General Partner to be returned pursuant to this 6.2.1(a) shall be returned by each Partner upon not less than seven (7) days' prior notice, which notice shall state that such return is required pursuant to this 6.2.1(a).

(b) Without derogating from 6.2.1(a) above, in the event that the Partnership incurs a liability or obligation of indemnification under Article 12 and (1) the Partnership does not have sufficient available funds to satisfy such liability or obligation, and (2) each Partner (other than a Defaulting Partner or a non-contributing Partner pursuant to 6.4) has already made aggregate Contributions equal to such Partner's Subscription, then the General Partner may require that each Partner return previous distributions made to it, upon not less than seven (7) days' prior written notice from the General Partner, provided however, that no Partner shall be obligated to return an amount under this 6.2.1(b), (i) after the expiration of the third anniversary of the final liquidating distribution of the Partnership, unless a written notice was sent during that period that the General Partner or the Partnership are in the process of litigating, arbitrating or otherwise settling claims with respect to such liability or obligation of indemnification, or (ii) exceeding 50% of the aggregate distributions received thereby from the Partnership throughout the term of the Partnership.

(c) Without derogating from 6.2.1(a) and (b) above, for the purpose of giving effect to 4.4 (*Reinvestment*), all or a portion of a distribution made to the Partners under Article 7, may be recalled by the General Partner.

(d) The aforementioned return obligations shall apply to all Partners *pro-rata* based on their respective distribution amounts; *provided* that the General Partner may make any necessary adjustments as it deems necessary in order to reflect more closely the Partners' relative economic interests in the Partnership as set forth in Articles 7 and 10. With respect to the return of a distribution that was made in-kind, each Partner may, at its option, return an

identical amount in cash equal to the value of the relevant asset on the date of distribution or the relevant asset (or a portion thereof if applicable) based on the value of such asset on the date of distribution.

(e) The failure by a Partner to contribute any amount required in accordance with 6.2.1, shall be treated as a failure to make a capital Contribution when due, and the Partnership may pursue and enforce all rights and remedies pursuant to 6.3. The provisions of this 6.2.1 shall not be construed or interpreted as inuring to the benefit of any Person other than the Partnership and the Partners. For the avoidance of doubt, a Partner's obligation under this 6.2.1 shall survive the winding up and liquidation of the Partnership.

(f) Nothing contained in this 6.2.1 shall derogate from any return obligation which may arise under any applicable law.

6.2.2 Unused Contributions.

The General Partner, in its sole discretion, may cause the Partnership to return to the Partners all or any portion of the capital Contributions that have not been invested in one or more Investments or applied to the payment or reimbursement of expenses or for any other purposes permitted under this Agreement together with any interest or other income or gains earned by the Partnership with such capital Contributions prior to their return, if any. Such Contributions shall be returned to the Partners pro rata in proportion to the respective amounts of Contributions made by them with respect to the drawdown that gave rise to the Contribution that is being returned, will be added to the uncalled Subscriptions and may be recalled by the General Partner. For the avoidance of doubt, the General Partner in its sole discretion may cause the Partnership to use capital Contributions which are not returned to the Partners for any purpose for which the General Partner would otherwise be authorized to draw down capital Contributions under this Agreement.

6.3 FAILURE TO MAKE REQUIRED PAYMENT.

6.3.1 Interest.

Except as otherwise provided in this Agreement, upon any failure by a Limited Partner to pay a capital Contribution in full when due, interest will accrue at the Default Rate on the outstanding unpaid balance of such capital Contribution, from and including the date such capital Contribution was due until the earlier of the date of payment of such capital Contribution by such Partner (or a transferee) or the date on which the General Partner imposes a Default Charge pursuant to 6.3.2(a). The "**Default Rate**" with respect to any period shall be the lesser of (a) 10% per annum or (b) the highest interest rate for such period permitted by applicable law. The General Partner, in its sole discretion, may waive the requirement to pay interest, in whole or in part.

6.3.2 Default.

Except as otherwise provided in this Agreement, if any Limited Partner fails to make a capital Contribution when due, and such failure continues for 10 Business Days after receipt by such Partner of written notice of such failure, then the General Partner may declare such Partner as a "Defaulting Partner" (a Partner so declared, a "**Defaulting Partner**"). Upon the occurrence of a default, the General Partner may, in its sole discretion, pursue one or more of the following alternatives:

(a) Impose a Default Charge upon the Defaulting Partner pursuant to 6.3.3;

(b) Offer the Defaulting Partner's entire interest in the Partnership to such Person as shall be designated by the General Partner (including other Limited Partner(s)), effective immediately upon written notice to the Defaulting Partner, at a price for that interest equal to the lesser of the then fair market value of the interest as determined by the General Partner or the pre-default balance in the Defaulting Partner's Capital Account, subject to such other terms as the General Partner in its sole discretion shall determine, and provided that the purchasers agree to assume the Subscription of the Defaulting Partner, including any portion then due and unpaid;

(c) Assist the Defaulting Partner in selling its interest in the Partnership, with the full assumption by the buyer of the Defaulting Partner's Subscription, including any portion then due and unpaid;

(d) Accept a late Contribution from the Defaulting Partner, with interest at the Default Rate (if any), in satisfaction of its then outstanding obligation to contribute hereunder;

(e) Cause the entire unpaid Subscription of the Defaulting Partner to become immediately due and payable;

(f) Cause any distributions which would otherwise be made to the Defaulting Partner to be applied against any amounts due and payable from the Defaulting Partner;

(g) The institution of an action for specific performance of the Defaulting Partner's obligation to contribute to the Partnership; and/or

(h) Pursue and enforce all of the Partnership's other rights and remedies against the Defaulting Partner under this Agreement, the relevant Subscription Agreement and the applicable laws, including but not limited to the commencement of a lawsuit to collect the unpaid capital Contribution, interest and costs, and reimbursement (with interest at the Default Rate) for any other damages suffered by the Partnership.

The remedies set forth above may be cumulative, and the use by the General Partner of one or more of them against a Defaulting Partner shall not preclude the use of any other such remedy.

6.3.3 Default Charge.

(a) The Partners agree that the damages suffered by the Partnership as the result of a default by a Defaulting Partner will be substantial and that such damages cannot be estimated with reasonable accuracy. As liquidated damages for such default (which each Partner hereby agrees is reasonable), and subject to 6.3.2, the General Partner may:

(1) (i) reduce the Defaulting Partner's Sharing Percentage, for all investments with respect to which the Defaulting Partner has a Sharing Percentage, by seventy-five percent (75%), (ii) reduce the Defaulting Partner's Capital Account by seventy-five percent (75%), and (iii) reduce the amount of all future distributions payable to the Defaulting Partner pursuant to 7.2.1 by seventy-five percent (75%) (clauses (i), (ii) and (iii), the "**Default Charge**") and withhold the remaining 25% of all future distributions that would otherwise be payable to the Defaulting Partner until dissolution of the Partnership; and

(2) require the Defaulting Partner to remain fully liable for payment of up to its pro rata share of Partnership Expenses (including Organizational Expenses and the Management Fee) if the default had not occurred.

(b) The General Partner shall apply amounts withheld by it under 6.3.3(a)(1) above to offset Partnership Expenses (including Organizational Expenses and the Management Fee) owed to the Partnership by the Defaulting Partner from time to time during the term of the Partnership.

(c) Upon application of a Default Charge to a Defaulting Partner no additional capital Contribution shall be accepted from the Defaulting Partner as of the date of such default and the Defaulting Partner's unpaid Subscription shall be reduced to zero.

(d) If the General Partner has withheld distributions from a Defaulting Partner pursuant to this 6.3.3 and subsequently determines to pay the withheld distributions to such Defaulting Partner, it may elect to (1) pay cash to such Defaulting Partner in lieu of any distributions which were made to non-defaulting Partners in kind and withheld from such Defaulting Partner, but the Partnership shall not, in such event, be liable to such Defaulting Partner for any subsequent increase in the value of any assets which would have been distributed to such Defaulting Partner had such Defaulting Partner not defaulted, or (2) deliver to such Defaulting Partner the assets (or substantially identical assets) such Defaulting Partner would have received

had the distribution to such Defaulting Partner not been withheld, but the Partnership shall not, in such event, be liable for any diminution in the value of such securities or other assets subsequent to the date such assets would have been distributed. Any losses incurred by the Partnership upon the disposition of the assets that would otherwise have been distributed to the Defaulting Partner in kind shall be for the account of the Defaulting Partner.

6.3.4 Additional Adjustments in Connection with Default Charge.

After the imposition of a Default Charge, the General Partner shall make such adjustments to subsequent distributions and subsequent allocations of net gain, net loss and any items in the nature of income, gain, loss or expense otherwise provided for in this Agreement to the extent necessary to give effect to the imposition of the Default Charge.

6.4 DEFAULT DUE TO CHANGE OF LAW.

6.4.1 General.

If, at any time before a capital Contribution is due, a Limited Partner shall obtain and deliver to the Partnership an opinion of counsel reasonably acceptable (as to form, substance and choice of counsel) to the General Partner to the effect that, as a result of any change in laws or any change in governmental rules or regulations applicable to such Limited Partner, all future payments by such Limited Partner of its unpaid Subscription (including, but not limited to, any part of the capital Contribution that is then due) will be unlawful, then such Limited Partner shall have no further right or obligation to pay any part of its unpaid Subscription.

6.4.2 Effect of Permitted Nonpayment.

If any Limited Partner is excused, pursuant to 6.4.1, from its obligation to make additional payments to the Partnership: (a) such Limited Partner shall not be deemed to be a Defaulting Partner with respect to such payments for purposes of 6.3; (b) such Limited Partner's unpaid Subscription shall be reduced to zero (without reducing any due and payable Contribution with respect to which such Limited Partner is in ~~defulat~~default pursuant to 6.3); and (c) the General Partner, in its sole discretion, may adjust subsequent Partnership allocations and distributions as necessary to ensure that, to the extent possible and subject to applicable law, the aggregate amounts allocated and distributed by the Partnership to such Partner over the term of the Partnership are equal to the aggregate amounts that would have been so allocated and distributed if such Partner's initial Subscription had at all times been equal to its reduced Subscription after giving effect to this 6.4.2. The provisions of 6.3.5 shall apply to this 6.4 with respect to a Feeder Fund, *mutatis mutandis*.

ARTICLE 7 DISTRIBUTIONS

7.1 AMOUNT, TIMING AND FORM.

7.1.1 General.

Except as otherwise provided in this Agreement, the General Partner shall determine the amount, timing and form (whether in cash or in kind) of all distributions made by the Partnership.

7.1.2 Distribution of Proceeds of Investments.

Subject to 4.4 above, the Partnership shall distribute, in the manner described in this Article 7 or Article 10, as the case may be, all cash proceeds of its Investments as promptly as practicable. Notwithstanding the preceding sentence, the General Partner in its discretion may cause the Partnership to retain proceeds of investments for any purpose for which the General Partner would otherwise be authorized to draw down Contributions under this Agreement.

7.1.3 Form of Distributions; Apportionment of Distributions.

Prior to the winding up and liquidation of the Partnership distributions shall include only cash and/or Freely Tradable Securities. The General Partner shall not be precluded from making any other in-kind distributions to the Limited Partners upon the liquidation of the Partnership. Each asset to be distributed in kind shall be distributed to the Partners in proportion to their respective shares of the proposed distribution as provided in Article 7 or Article 10, as the case may be, except to the extent that a disproportionate distribution of assets is necessary.

7.1.4 Distributions to the General Partner.

Notwithstanding anything to the contrary in this Article 7, the General Partner, in its sole discretion, may elect not to receive part or all of any distribution to which it would otherwise be entitled under this Agreement and instead cause such amount to be distributed to the Limited Partners in the amounts and proportions set forth in 7.2.1; *provided, however*, that the General Partner, in its discretion, may subsequently distribute to itself, out of funds available therefor, additional amounts up to the amount that would result in the General Partner receiving the aggregate cumulative distributions it would have received had the General Partner not elected to forgo all or a portion of any distribution in accordance with this 7.1.4.

7.2 DISCRETIONARY DISTRIBUTIONS.

7.2.1 General.

Distributions shall be made from time to time in the discretion of the General Partner subject to 7.1. Distributable proceeds shall initially be apportioned among the Partners in proportion to their Sharing Percentages. Except as otherwise provided herein, the amount apportioned to each Limited Partner shall then be immediately reapportioned as between such Limited Partner, on the one hand, and the General Partner in consideration for the initiation, organization and formation of the

Partnership, on the other hand, and distributed as follows (with each determination made as of the time of distribution):

(a) First, 100% to such Limited Partner, until such Limited Partner shall have received cumulative distributions pursuant to this sub-section (a) in an amount equal to its aggregate capital Contributions to the Partnership; and

(b) Second, (i) 80% to such Limited Partner, and (ii) 20% to the General Partner.

7.2.2 Operational Rules.

For purposes of 7.2.1 and this 7.2.2:

(a) If distributions to which a Defaulting Partner otherwise would have been entitled have been withheld pursuant to 6.3.3, the amounts so withheld shall be treated as having been distributed to such Partner and any subsequent distributions of such amounts to the Defaulting Partner shall be disregarded;

(b) Tax Distributions made to a Partner shall be taken into account as if such distributions had been made to such Partner pursuant to the applicable provisions of 7.2.1;

(c) Amounts treated as distributed to a Partner pursuant to 7.4 or 10.2. shall be taken into account as if such amounts had been distributed to such Partner pursuant to the applicable provisions of 7.2.1;

(d) Distributions made to any Partner's predecessors in interest shall be treated as having been made to such Partner (including for purposes of 6.2.1);

(e) The amount of any distribution in kind shall be equal to the fair market value of such assets at the time of distribution as determined in accordance with the provisions of 14.3; and

(f) If there are Defaulting Partners, distributions shall be modified to the extent required by Article 6, and references in this Article 7 to "all Partners" and to "each Partner" shall be modified accordingly.

7.3 TAX DISTRIBUTIONS.

The Partnership may, at the General Partner's sole discretion, distribute to each Partner, in respect of each fiscal year, an amount of cash, calculated based on the highest tax rate applicable to a Partner in the Partnership, in order to cover such Partners' tax liability with respect to the Partnership's income allocated to it. Tax distributions will count as distributions for all purposes, including without limitation for determining whether Partners have received a full return of their capital Contributions (a "**Tax Distribution**").

7.4 PAYMENT OF TAXES.

7.4.1 General.

If the Partnership incurs an obligation to pay directly any amount in respect of taxes with respect to amounts allocated or distributed to one or more Partners, including but not limited to withholding taxes imposed on any Partner's or former Partner's share of the Partnership gross or net income and gains (or items thereof), income taxes, and any interest, penalties or additions to tax ("**Tax Liability**"), or if the amount of a payment or distribution of cash or other property to the Partnership is reduced as a result of withholding by other parties in satisfaction of any such Tax Liability:

(a) All payments by the Partnership in satisfaction of such Tax Liability and all reductions in the amount of a payment or distribution that the Partnership otherwise would have received shall be treated, pursuant to this 7.4, as distributed to those Partners or former Partners to which the related Tax Liability is attributable;

(b) Notwithstanding any other provision of this Agreement, subsequent distributions to the Partners shall be adjusted by the General Partner in an equitable manner so that, to the extent feasible, the burden of taxes withheld at the source or paid by the Partnership is borne by those Partners to which such Tax Liability or other reduction is attributable; and

(c) The General Partner in its sole discretion may cause any amount treated pursuant to 7.4.1(a) as distributed to any Partner or former Partner at any time that exceeds the amount, if any, of distributions to which such Person is then entitled under this Agreement to be treated as a loan to such Person, and the General Partner shall give prompt written notice to such Person of the amount of such loan.

7.4.2 Tax Liability.

The General Partner, after consulting with the Partnership's accountants or other advisers, shall determine the amount, if any, of any Tax Liability or other reduction attributable to any Partner. For this purpose, the General Partner shall be entitled to treat any Partner as ineligible for an exemption from or reduction in rate of such Tax Liability under a tax treaty or otherwise except to the extent that such Partner provides the General Partner with such written evidence as the General Partner or the relevant tax authorities may require to establish such Partner's entitlement to such exemption or reduction.

7.4.3 Repayment of Any Amounts Treated as Loans.

Each Partner covenants, for itself, its successors, assigns, heirs and personal representatives, that such Person shall repay any loan described in 7.4.1(c) not later than 30 days after the General

Partner delivers a written demand for such repayment (whether before or after the withdrawal of such Partner from the Partnership, but in no event later than the dissolution of the Partnership). Such Person shall pay interest to the Partnership at the rate of 1.5% per annum for the entire period commencing on the date on which the Partnership paid such amount and ending on the date on which such Person repays such amount to the Partnership together with all accrued but previously unpaid interest. The Partnership may collect such unpaid amounts (including interest) from any distributions that otherwise would be made by the Partnership to such Person and shall treat the amount so collected as having been distributed to such Person.

7.5 CERTAIN DISTRIBUTIONS PROHIBITED.

Anything in this Article 7 to the contrary notwithstanding, no distribution shall be made to any Partner if, and to the extent that, such distribution would not be permitted under any applicable law.

7.6 TREATMENT FOR U.S. TAX PURPOSES.

The Partnership is intended to be classified as a partnership for all tax purposes and the General Partner shall have the authority to make all tax elections, decisions and determinations.

ARTICLE 8 - CAPITAL ACCOUNTS; ALLOCATIONS

8.1 CAPITAL ACCOUNTS.

There shall be established on the books of the Partnership a capital account for each Partner (such Partner's "**Capital Account**") that shall be:

(a) *Increased* by (1) any capital Contributions made to the Partnership by such Partner pursuant to this Agreement and (2) any amounts in the nature of income or gain allocated to such Partner pursuant to this Article 8; *Decreased* by (1) any distributions made to such Partner and (2) any amounts in the nature of loss or expense allocated to such Partner pursuant to this Article 8; and

(b) Otherwise adjusted in accordance with the provisions of this Agreement including, but not limited to, 6.3 (relating to the imposition of a Default Charge).

8.2 ALLOCATIONS OF NET GAIN AND LOSS.

The net gain and losses of the Partnership shall be allocated among the Capital Accounts of the Partners to reflect the respective amounts they would receive if the Partnership was liquidated, all of its assets were sold for their fair values, all of its liabilities were satisfied, and the remaining amounts were distributed in liquidation pursuant to 10.2. Allocations for tax purposes shall be made in a manner consistent with the allocations to Capital Accounts, except to the extent necessary to take into account any differences between tax and book accounting, in which case the

tax allocations shall be made in compliance with applicable tax laws. The General Partner may, in its discretion, adjust the allocation of profits and losses, or manage the Capital Accounts in a different manner, in order to comply with any applicable law, or to address tax considerations. Allocations are generally intended to be in accordance with Section 704 of the Code and regulations and guidance thereunder, including qualified income offset and other principles thereof.

ARTICLE 9 - DURATION OF THE PARTNERSHIP

9.1 TERM OF PARTNERSHIP.

The Partnership shall continue until the seventh anniversary of the Final Closing Date, unless its term is extended as provided in this 9.1, or unless it is sooner dissolved as provided in 9.2 or 9.3 or by operation of law. The term of the Partnership may be extended by up to three one-year periods by the General Partner, in its sole discretion. The General Partner shall notify the Limited Partners promptly of any extension.

9.2 WINDING UP AND DISSOLUTION.

The Partnership shall be wound up and dissolved only upon the occurrence of any of the following:

(a) If a court issues a binding judgment or decree rendering the dissolution of the Partnership and/or the General Partner, except for dissolution for the purpose of a merger with another Person or the re-organization of the Partnership and/or General Partner as applicable.

(b) If the General Partner, with the consent of a Majority-in-Interest of the Fund Investors, commenced winding up the Partnership, any Parallel Fund, and any Feeder Fund at any time on not less than 90 days' prior written notice to the Fund Investors.

(c) If a Cause Event had occurred, and the Fund Investors holding at least sixty percent (60%) in Interest of the Fund have resolved to dissolve all the entities comprising the Fund. The dissolution shall commence within thirty (30) days from the date such notice is delivered to the General Partner.

(d) If during the Commitment Period, Fund Investors holding at least seventy five percent (75%) in Interest of the Fund have resolved to dissolve all the entities comprising the Fund. The dissolution shall commence within thirty (30) days from the date such notice is delivered to the General Partner. The expiration of the term of the Partnership (as such may be extended pursuant to 9.1 above).

The Partnership shall not be dissolved in the event of the dissolution, death, bankruptcy, insolvency, incompetency, disability, or substitution of any Limited Partner. Upon the occurrence of any of the aforementioned events the Limited Partner shall be replaced by such Person's legal successor which is authorized under applicable law to act in such Limited Partner's assets, including, in the event of a corporation, a receiver or a liquidator of such Limited Partner or, in the

event of an individual Limited Partner, a trustee in bankruptcy, an official receiver of a bankrupt individual, a legal guardian or an heir.

If the Partnership is dissolved as a result of 9.2(d), then the General Partner shall be entitled to receive, upon dissolution, payment in an amount equal to the Management Fees that the General Partner would have been received from the Partnership in accordance with Section 5.2.2.1 above for a period of 12 months from dissolution, if the Partnership was not so dissolved. Nothing herein shall derogate from the General Partner's right to receive Carried Interest Distributions in accordance with this Agreement.

ARTICLE 10 - LIQUIDATION OF ASSETS

10.1 GENERAL.

Upon commencement of its winding up, the Partnership's assets shall be liquidated in an orderly manner. The General Partner shall be the liquidator to wind up the affairs of the Partnership pursuant to this Agreement; *provided*, *however*, that (i) pursuant to the Ordinance, the courts may, under certain circumstances appoint another liquidator, and (ii) in case where there was a Cause Event, the General Partner shall not act as the liquidator of the Partnership and shall not be involved in the liquidation of the Partnership and the liquidator shall be determined by the Advisory Committee.

10.2 LIQUIDATING DISTRIBUTIONS.

The liquidator shall pay or provide for the satisfaction of the Partnership's liabilities and obligations to creditors. In performing its duties, the liquidator is authorized to sell, exchange or otherwise dispose of the assets of the Partnership in such reasonable manner as the liquidator shall determine.

To the extent on the date of the commencement of the winding up there are any remaining assets held by the Partnership, then the Partnership's liquidation shall take place by realizing the Partnership's assets and distributing any proceeds thereof. The proceeds from liquidation shall be paid in the following manner and priority:

(a) Payment of the expenses of liquidation (including reasonable compensation for the services of the liquidator).

(b) Satisfying the debts and liabilities of the Partnership, other than debts and liabilities to Partners.

(c) Satisfying any debts and liabilities of the Partnership to the Partners.

(d) All remaining proceeds shall be paid to all Partners in accordance with the distribution provisions set forth in Article 7 of this Agreement.

Distributions will be made in cash (to the extent feasible) or in kind (directly or indirectly through a special purpose vehicle controlled by the General Partner or a Person associated with the General Partner), in the sole discretion of the liquidator. During the liquidation of the Partnership, the liquidator shall furnish to the Partners the financial statements and other information specified in 14.2, subject to 14.8.6.

10.3 EXPENSES OF LIQUIDATOR.

The expenses incurred by the liquidator in connection with winding up the Partnership, all other losses or liabilities of the Partnership incurred in accordance with the terms of this Agreement, and reasonable compensation for the services of the liquidator shall be borne by the Partnership. If the General Partner serves as the liquidator, it shall not be entitled to additional compensation for providing services in such capacity; however it shall be entitled to receive the Management Fee throughout all the liquidation period.

10.4 DURATION OF LIQUIDATION.

A reasonable time shall be allowed for the winding up of the affairs of the Partnership in order to maximize its profits and minimize any losses that might otherwise result.

10.5 LIABILITY FOR RETURNS.

10.5.1 General.

The liquidator, the General Partner and their respective partners, members, stockholders, officers, directors, managers, employees, agents and Affiliates shall not be personally liable for the return of the capital Contributions of any Partner.

10.5.2 Limited Partner Obligations.

No Limited Partner shall be obligated to restore to the Partnership any amount with respect to a negative Capital Account; *provided*, *however*, that this provision shall not affect the obligations of Partners to make their agreed-upon capital Contributions and any other payments to the Partnership that are required under this Agreement or applicable law, including without limitation 6.2.

10.5.3 General Partner Return Obligation.

After the Partnership has made its final distribution of assets pursuant to 10.2, if with respect to any Limited Partner other than a Defaulting Partner, either (a) the General Partner has received aggregate Carried Interest Distributions attributable to such Limited Partner that exceed 20% of the excess of (i) distributions apportioned to such Limited Partner pursuant to 7.2.1 over (ii) the Contributions of such Limited Partner or (b) the distributions received by such Limited Partner pursuant to 7.2.1 and 10.2 are not sufficient to provide such Limited Partner with cumulative distributions equal to such Limited Partner's Contributions (the greater amount under clause (a) or (b) above, the "**Shortfall Amount**"), then the General Partner shall return to the Partnership, in cash or in assets distributed in kind by the Partnership or in any combination thereof, on or before

the 90th day after such final distribution of assets by the Partnership, an amount equal to the lesser of (x) the Shortfall Amount and (y) the amount of the aggregate Carried Interest Distributions received by the General Partner attributable to such Limited Partner, (i) *minus* the amount of any taxes payable by the General Partner (or any direct or indirect carried interest participant, as applicable) as a result of the entitilment of such Persons to such Carried Interest Distributions or allocations with respect thereto, and (ii) *plus* the aggregate amount by which the taxes payable by the General Partner (or any direct or indirect carried interest participant, as applicable) are actually reduced as a result of the Contribution of amounts to the Partnership pursuant to this 10.5.3; *provided, however*, that clause (ii) shall apply only to the extent any such tax benefit is realized no later than two years after the year in which the Partnership makes its final distribution of assets pursuant to 10.2. To the extent that assets distributed in kind by the Partnership are returned to the Partnership pursuant to the terms of this 10.5.3, such assets shall be valued as of the date of such return at the fair market value thereof determined pursuant to 14.3. For purposes of this 10.5.3, distributions pursuant to 10.2 shall be treated as distributions pursuant to 7.2.1, as if such amounts were distributed pursuant 7.2.1, rather than 10.2. "**Carried Interest Distributions**" with respect to a Limited Partner means distributions in an amount equal to the aggregate distributions to the General Partner pursuant to 7.2.1 with respect to such Limited Partner since inception.

10.5.4 Distribution of Returned Amounts.

Amounts returned by the General Partner to the Partnership pursuant to 10.5.3 shall be paid to creditors of the Partnership or distributed to the Partners as set forth in 10.2. In no event shall 10.2 be enforceable for the benefit of any Person other than the Limited Partners, their successors and their assigns.

10.6 POST-DISSOLUTION INVESTMENTS.

Notwithstanding anything to the contrary set forth in this Article 10, but subject to the other limitations on investments set forth in this Agreement, the liquidator may, at any time after the Partnership commences winding up, cause the Partnership to make additional investments in entities which were Portfolio Companies on the date it commenced winding up (including any successor to, or Affiliate of, a Portfolio Company), if the liquidator believes that such additional investments are in the best interest of the Partnership.

10.7 DISSOLUTION.

Upon completion of the Partnership's winding up, the General Partner or other liquidator shall file a notice of dissolution in accordance with the Ordinance and the Partnership will then dissolve.

ARTICLE 11 - LIMITATIONS ON OFFERINGS, TRANSFERS AND WITHDRAWALS OF PARTNERSHIP INTERESTS

11.1 TRANSFER OF GENERAL PARTNER'S INTERESTS.

The General Partner shall not assign, pledge, mortgage, hypothecate, give, sell or otherwise dispose of or encumber (each such act, a "**Transfer**") all or any part of its general partnership interest in the Partnership, except (a) in connection with the change or technical reconstitution or reorganization of the form of legal entity of the General Partner, (b) with the consent of a majority-in-interest of the Fund Investors, or (c) to an Affiliate of the General Partner or the Management Company. Any attempted Transfer of the General Partner's interest except in compliance with the preceding sentence shall be void. If a General Partner Transfers its interest pursuant to this 11.1, the transferee shall be admitted to the Partnership only upon the written consent of the transferring General Partner.

11.2 TRANSFERS OF LIMITED PARTNERSHIP INTERESTS.

11.2.1 General.

No Transfer of a Limited Partner's interest in the Partnership, in whole or in part, shall be made other than pursuant to this 11.2. Any attempted Transfer of all or any part of a Limited Partner's interest in the Partnership without compliance with this Agreement shall be void. Each Transfer shall be subject to all of the terms, conditions, restrictions and obligations set forth in this Agreement, and be evidenced by a written agreement executed by the transferor, the transferee(s) and the General Partner, in form and substance satisfactory to the General Partner.

11.2.2 Consent of General Partner.

The prior written consent of the General Partner, which may be granted or withheld in its sole discretion, shall be required for any Transfer of all or part of any Limited Partner's interest in the Partnership, including a Transfer of solely an economic interest in the Partnership. As a condition to its consent to a Transfer, the General Partner shall be authorized to impose such terms as it deems appropriate, in its reasonable discretion.

11.2.3 Required Representations by Parties.

The transferor and each transferee shall provide to the General Partner, in connection with any proposed Transfer, such written representations as the General Partner reasonably may request. The General Partner and counsel to the Partnership shall be permitted to rely upon any representations made by the transferor and transferee(s), and on written representations from other Partners made prior to or contemporaneously with such proposed Transfer. The General Partner, in its sole discretion, may waive its right to obtain any representations otherwise required by this 11.2.3

11.2.4 Opinion of Counsel.

Any Transfer otherwise permitted hereunder will be made only upon receipt by the Partnership of a written opinion of counsel for the Partnership, or of other counsel reasonably satisfactory to the General Partner, in form and substance reasonably satisfactory to the General Partner, as to compliance with 11.2 and such other legal matters as the General Partner reasonably may request.

The General Partner may waive, in whole or in part, the requirement of an opinion pursuant to this 11.2.4.

11.2.5 Reimbursement of Transfer Expenses.

The transferor of any interest in the Partnership hereby agrees to reimburse the Partnership, at the request of the General Partner, for any expenses reasonably incurred by the Partnership in connection with such Transfer, including the costs of seeking and obtaining the legal opinion required by 11.2.4 and any other legal, accounting and miscellaneous expenses ("**Transfer Expenses**"), whether or not such Transfer is consummated. At its election, and in any event if the transferor has not reimbursed the Partnership for any Transfer Expenses incurred by the Partnership in preparing for or consummating a proposed or completed Transfer within ten days after the General Partner has delivered to such Partner written demand for payment, the General Partner may offset the amount of such Transfer Expenses against any distribution payable under Articles 7 or 10 with respect to the interest transferred or proposed to be transferred (it being understood that the amount so offset shall be deemed to have been distributed).

11.3 ADMISSION OF SUBSTITUTED LIMITED PARTNERS.

11.3.1 General.

Any transferee of a Partnership interest transferred in accordance with the provisions of this Article 11 shall be admitted as a Limited Partner only with the General Partner's written consent (which consent may be withheld for any reason or for no reason and the transferee's written agreement to be bound by the terms of this Agreement as a Limited Partner. Without the written consent of the General Partner to such Transfer and the written opinion of counsel required by 11.2.4 (or waiver thereof by the General Partner), no transferee of a Partnership interest shall be admitted as a Limited Partner.

11.3.2 Effect of Admission.

The transferee of an interest in the Partnership transferred pursuant to this Article 11 that is admitted to the Partnership as a Limited Partner shall succeed to the rights and liabilities of the transferor Limited Partner with respect to such interest and, after the effective date of such admission, the Subscription, Contribution, Sharing Percentage, class of interests and Capital Account of the transferor shall become the Subscription, Contribution, Sharing Percentage and Capital Account of the transferee, to the extent of the interest transferred. If a transferee is not admitted to the Partnership as a Limited Partner, (a) such transferee shall have no right to participate with the Limited Partners in any votes taken or consents granted or withheld by the Limited Partners hereunder, and (b) the transferor (including, if applicable, the estate, legal representative, or other successor of the original owner) shall remain liable to the Partnership for all Contributions and other amounts payable with respect to the transferred interest to the same extent as if no Transfer had occurred.

11.4 NON-COMPLIANT TRANSFER.

If a Transfer has been proposed or attempted but has not satisfied the requirements of this Article 11 (including, as determined in good faith by the General Partner, any transaction which does not otherwise constitute a Transfer but a purpose of which is to achieve indirectly a result similar to that which would be achieved directly if such transaction were structured as a Transfer), the General Partner shall not admit the purported transferee as a Limited Partner but, to the contrary, shall use its reasonable best efforts to ensure that the Partnership (a) continues to treat the transferor as the sole owner of the interest in the Partnership purportedly transferred, (b) makes no distributions to the purported transferee and (c) does not furnish to the purported transferee any tax or financial information regarding the Partnership. The General Partner shall also use its reasonable best efforts to ensure that the Partnership does not otherwise treat the purported transferee as an owner of any interest in the Partnership (either legal or equitable), unless required by law to do so. The Partnership shall be entitled to seek injunctive relief, at the expense of the purported transferor, to prevent any such purported Transfer.

11.5 MULTIPLE OWNERSHIP.

If any Transfer results in multiple ownership of any Limited Partner's interest in the Partnership, the General Partner may require one or more trustees or nominees to be designated as representing a portion of or the entire interest transferred for purposes of (a) receiving all notices which may be given, and all payments which may be made, under this Agreement and (b) exercising all rights which the transferor as a Limited Partner has pursuant to the provisions of this Agreement.

ARTICLE 12 - EXCULPATION AND INDEMNIFICATION

12.1 EXCULPATION.

12.1.1 General.

No Covered Person, whether or not such Person remains a Covered Person, shall be liable to the Partnership or any Partner for any loss suffered by the Partnership or any Partner which arises out of any investment or any other action or omission of such Covered Person in connection with the Partnership, unless it has been finally determined by a court of competent jurisdiction that such conduct constitutes fraud, intentional misconduct, a material breach of this Agreement or gross negligence (as such term is defined under the laws of the State of Delaware, United States. For purposes of this Article 12, "**Covered Person**" shall mean the General Partner (including without limitation the General Partner acting as liquidator), the Managing Partner, the Management Company, and members of the Investment Committee and each partner, member, stockholder, officer, director, manager, employee, consultant, agent or Affiliate of any of the foregoing.

12.1.2 Deleted

12.1.3 Advisory Committee Members.

No member of the Advisory Committee and no Limited Partner who may have designated such member shall be liable to the Fund or any Fund Investor for any loss suffered by the Fund or any

Partner which arises out of any action or omission of such member, *provided that* such member did not act in fraud or willful misconduct.

12.1.4 Liquidator.

No Person (other than the General Partner) that serves as liquidator pursuant to Article 10 shall be liable to the Partnership or any Partner for any loss suffered by the Partnership or any Partner which arises out of any action or omission of such Person, *provided that* such Person acted in good faith.

12.1.5 Advice of Experts.

No Covered Person, no member of the Advisory Committee and no Person serving as liquidator shall be liable to the Partnership or any Partner with respect to any action or omission taken or suffered by any of them in good faith if such action or omission is taken or suffered in reliance upon and in accordance with the opinion or advice of legal counsel (as to matters of law), or of accountants (as to matters of accounting), or of investment bankers, accounting or tax firms, or other appraisers (as to matters of valuation), or of any other employee, advisor, broker or any other agent; *provided that* any such professional or firm is selected by any such Person with reasonable care.

12.2 INDEMNIFICATION.

12.2.1 General.

The Covered Persons, each member of the Advisory Committee and each Limited Partner that designated a member to the Advisory Committee (each, an "**Indemnitee**") shall be indemnified (whether or not the Indemnitee continues to serve in such capacity at the time such action, suit or proceeding is brought or threatened), subject to the other provisions of this Agreement, by the Partnership against any claim, demand, controversy, dispute, cost, loss, damage, expense (including reasonable attorneys' fees), judgment and/or liability incurred by or imposed upon the Indemnitees in connection with any action, suit or proceeding (including any proceeding before any administrative or legislative body or agency), to which the Indemnitees may be made a party or otherwise involved or with which the Indemnitees shall be threatened, by reason of the Indemnitee's being at the time the cause of action arose or thereafter, an Indemnitee, a liquidator, a partner, member, stockholder, director, officer, manager, trustee, employee, agent or Affiliate of any of the foregoing, or a partner, member, stockholder, director, officer, manager, trustee, employee, consultant or agent of any other organization in which the Partnership owns or has owned an interest or of which the Partnership is or was a creditor, which other organization the Indemnitee serves or has served as a partner, member, stockholder, director, officer, manager, trustee, employee, consultant or agent at the request of the Partnership, or by reason of actions or omissions taken or suffered in any such capacity.

12.2.2 Limitation on Indemnification.

An Indemnitee shall not be indemnified (a) in connection with any action, suit or proceeding solely among the General Partner, the Management Company, the Managing Partner, the members of the Investment Committee and/or their respective Affiliates, or (b) with respect to matters as to which the Indemnitee shall have been finally adjudicated in any such action, suit or proceeding to have acted with fraud, intentional misconduct, material breach of this Agreement or gross negligence (as such term is defined under the laws of the State of Delaware, ~~Unitied~~United States).

Notwithstanding the above, a member of the Advisory Committee and a Limited Partner who may have designated such member shall not be so indemnified only with respect to matters as to which they shall have been finally adjudicated in any such action, suit or proceeding to have acted with fraud or intentional misconduct. Advance Payment of Expenses.

The Partnership shall pay the expenses incurred by an Indemnitee in connection with any such action, suit or proceeding, or in connection with claims arising in connection with any potential or threatened action, suit or proceeding, in advance of the final disposition of such action, suit or proceeding, upon (a) the assignment by such Indemnitee of any and all rights that the Indemnitee may have to seek indemnification from a Third Party Indemnifier with respect to such action, suit or proceeding, (b) the execution of a written agreement between the Partnership and the Indemnitee reflecting that, as a result of the advancement of such expenses, the Partnership is subrogated to the Indemnitee's rights to pursue a claim for indemnification from a Third Party Indemnifier with respect to such action, suit or proceeding, and (c) receipt of an undertaking by such Indemnitee to repay such payment if the Indemnitee shall be determined to be not entitled to indemnification for such expenses pursuant to this Article 12 (whether by virtue of such Person's conduct, the receipt of a corresponding indemnification payment from a Third Party Indemnifier with respect to such matter, or otherwise); *provided*, *however*, that in such instance the Indemnitee is not defending an actual or threatened claim, action, suit or proceeding against the Indemnitees by the General Partner directly or indirectly through the Partnership (or by the Indemnitee against the Partnership and/or the General Partner).

12.2.3 Insurance.

At its election, the General Partner may cause the Partnership to purchase and maintain insurance, at the expense of the Partnership and to the extent available, for the protection of any Indemnitee or potential Indemnitee against any liability incurred in any capacity which results in such Person being an Indemnitee (provided that such Person is serving or has served in such capacity at the request of the Partnership or the General Partner), whether or not the Partnership has the power to indemnify such Person against such liability. The General Partner may purchase and maintain insurance on behalf of and at the expense of the Partnership for the protection of any officer, director, manager, employee or other agent of any other organization in which the Partnership owns an interest or of which the Partnership is a creditor against similar liabilities, whether or not the Partnership has the power to indemnify any Person against such liabilities.

12.2.4 Successors.

The foregoing right of indemnification shall inure to the benefit of the executors, administrators, personal representatives, successors or assigns of each such Indemnitee.

12.2.5 Rights to Indemnification from Other Sources.

12.2.5.1 ***Indemnification from Other Sources***

The rights to indemnification and advancement of expenses conferred in this 12.2 shall not be exclusive and shall be in addition to any rights to which any Indemnitee may otherwise be entitled or hereafter acquire under any law, statute, rule, regulation, charter document, by-law, contract or agreement. If and to the extent indemnification is available to an Indemnitee from any Third Party Indemnifier, the Indemnitee will use commercially reasonable efforts to obtain indemnification from such Third Party Indemnifier before seeking indemnification from the Partnership; provided, that, the foregoing shall not limit the advance payments of expenses provided for in 12.2.3 or otherwise prejudice the Indemnitee in any way.

12.2.5.2 ***Priority of Indemnification Sources***

The Partners hereby expressly intend that the provisions of this 12.2 shall be interpreted to reflect an ordering of liability for potentially overlapping or duplicative indemnification payments to an Indemnitee, with any applicable Third Party Indemnifiers having primary liability and the Partnership having only secondary liability. In the event the Partnership makes any indemnification payments to an Indemnitee with respect to any action, suit, or proceeding, the Partnership shall be, automatically and without the need for any further action on the part of any Person, subrogated to the Indemnitee's rights to pursue a claim for indemnification from a Third Party Indemnifier with respect to such action, suit, or proceeding.

12.2.6 Discretionary Limitation by General Partner.

Notwithstanding 12.2.1 and 12.2.3, the General Partner in its sole discretion may limit or eliminate indemnification payments that otherwise would be made by the Partnership to any Indemnitee, other than a member of the Advisory Committee or a Limited Partner that designated any such member.

12.3 LIMITATION BY LAW.

If any Covered Person or Indemnitee or the Partnership itself is subject to any law, rule or regulation which restricts the extent to which any Person may be exculpated or indemnified by the Partnership, the exculpation provisions set forth in 12.1 and the indemnification provisions set forth in 12.2 shall be deemed to be amended, automatically and without further action by the Partners, to the minimum extent necessary to conform to such restrictions.

ARTICLE 13 - AMENDMENTS, VOTING AND CONSENTS

13.1 AMENDMENTS.

13.1.1 Consent of Partners.

Except as otherwise provided in this Agreement, the terms and provisions of this Agreement may be waived, modified, terminated or amended, during or after the term of the Partnership, with the prior written consent of the General Partner and a Majority-in-Interest of the Partners; *provided*, *however*, that (i) any provision of this Agreement requiring the written vote or consent of a greater percentage in interest of the Limited Partners may be waived, modified, terminated or amended only with the vote or written consent of the General Partner and such greater percentage in interest of the Limited Partners as is required by such provision, and (ii) amendments that adversely disproportionately affect certain Limited Partners require the consent of Majority in Interest of such Limited Partners. If a Feeder Fund is formed, the General Partner may permit such Feeder Fund to divide its vote into one or more separate votes to reflect votes by investors therein as limited partners or members. If a Parallel Fund is formed, then (a) the required consent for waiver, modification, termination or amendment of this Agreement and the organizational documents of the Parallel Fund or other vote or consent provided for in this Agreement and the organizational documents of the Parallel Fund shall be a Majority-in-Interest (or higher percentage if applicable) of the Fund Investors, regardless of whether a Majority-in-Interest (or higher percentage if applicable) of the Partners, taken separately, consent thereto, and (b) the General Partner shall use its reasonable efforts to cause substantially identical amendments to be made to the organizational documents of a Parallel Fund and a Feeder Fund, subject to any special regulatory, tax or other requirements applicable to a Parallel Fund, a Feeder Fund or their investors. Any provision of this Agreement or the limited partnership agreement or other organizational document of a Parallel Fund or a Feeder Fund that relates to any special regulatory, tax or other requirement and appears only in this Agreement or such other agreement or document may be amended with the consent of the General Partner and a Majority-in-Interest (or higher percentage if applicable) of the Fund Investors participating in the Partnership, the Feeder Fund or that Parallel Fund, as applicable. Notwithstanding the other provisions of this Article 13, the General Partner, without the consent of any other Partner, may amend any provisions of this Agreement under the following terms: (i) if the General Partner determines that the required amendment is merely technical (including, for example, to correct any printing or clerical errors or to clarify any ambiguity or contradiction in the provisions of the Agreement), or if the amendment is solely intended for the purpose of compliance with any law or requirements of any governmental authority; (ii) if such changes are required to accommodate requests of Additional Limited Partners admitted to the Partnership after the Initial Closing Date and such changes do not adversely affect the other Limited Partners, or (iii) if the General Partner determines that the Limited Partners will only benefit from the amendment, or that the amendment is designated to add to the duties or obligations of the General Partner, or to surrender any right granted to it.

13.1.2 Amendments Affecting Partners' Economic Rights.

No amendment shall increase the Subscription of any Limited Partner or dilute the interest of any Limited Partner relative to the interests of the other Limited Partners in the profits or capital of the Partnership or in allocations or distributions attributable to the ownership of such interest without the prior written consent of such Limited Partner, except such dilution as may result from

additional Subscriptions from the Partners or the admission of additional Limited Partners pursuant to this Agreement, and pursuant to an exercise of remedies by the Partnership under 6.3.

13.1.3 Notice of Amendments.

The General Partner shall furnish copies of any proposed amendments to all Limited Partners (or, if applicable, to the specified class or group of Limited Partners whose consent is required) and shall furnish copies of any amendments to this Agreement to all Partners, other than changes in the List of Partners to reflect the admission, withdrawal or substitution of Partners, changes in the addresses of Partners or otherwise in accordance with 3.1, and changes in the Subscriptions of Partners (in each case occurring pursuant to this Agreement), which shall not require the consent of or notice to any Limited Partner.

13.2 VOTING AND CONSENTS.

Subject to 13.1.1 with respect to a Feeder Fund or any Parallel Funds, whenever action is required by this Agreement to be taken by a specified percentage in interest of the Limited Partners, such action shall be deemed to be valid if taken upon the written vote or written consent of those Limited Partners whose Contributions represent the specified percentage of the aggregate Contributions of all Limited Partners at the time. Similarly, whenever action is required by this Agreement to be taken by a specified percentage in interest of a specified class or group of Limited Partners such action shall be deemed to be valid if taken upon the written vote or written consent of those Limited Partners of such class or group whose Contributions represent the specified percentage of the aggregate Contributions of all Limited Partners of such class or group at the time.

Further and notwithstanding anything to the contrary herein, if after the Final Closing Date, a single Limited Partner objects to an action requiring the affirmative vote of Limited Partners under this Agreement, and all other Limited Partners have unanimously consented to such action, then such action shall be deemed to have obtained the required percentage-in-interest under this Agreement for such action to be approved, and such action shall be binding on all of the Partners and/or the Parallel Fund's partners, if applicable.

ARTICLE 14 - ADMINISTRATIVE PROVISIONS

14.1 KEEPING OF ACCOUNTS AND RECORDS.

14.2.3 Annual Tax Information.

The General Partner shall transmit to each Partner, within 270 days after the close of each fiscal year, a report indicating such Partner's share of all items of income or gain, expense, loss or other deduction and tax credit of the Partnership for such year, as well as the status of such Partner's Capital Account as of the end of such year, and such additional information as such Partner reasonably may request to enable it to complete its tax returns or to fulfill any other reporting requirements, provided that the General Partner can obtain such additional information without unreasonable effort or expense.

14.3.1 Valuation by General Partner.

14.3.2 Freely Tradable Securities.

The fair market value of any security owned by the Partnership that is a Freely Tradable Security and which is distributed by the Partnership shall be determined as of the close of trading immediately prior to the date of distribution and shall be equal to the last reported trade price of such security on such date on the exchange where it is primarily traded or, if such security is not traded on an exchange, at the last reported sale price on the relevant exchange where it is reported or, if such security is not traded on an exchange or reported on an exchange, such security shall be valued at the reported closing bid price (or average of bid prices) last quoted on such date as reported by an established quotation service for over-the-counter securities.

14.3.3 Other Assets.

The General Partner's determination of the fair market value of all other assets of the Partnership shall be based upon all relevant factors, as reasonably determined by the General Partner from time to time, which may include, without limitation: (a) the current financial position and current and historical operating results of the issuer; (b) sales prices of recent public or private transactions in the same or similar securities, including transactions on any securities exchange on which such securities are listed or in the over-the-counter market; (c) general level of interest rates; (d) recent trading volume of the security; (e) restrictions on transfer, including the Partnership's right, if any, to require registration of its securities by the issuer under the securities laws; (f) significant recent events affecting the Portfolio Company or issuer, including any pending private placement, public offering, pending mergers or acquisitions; (g) the price paid by the Partnership to acquire the asset; and (h) the percentage of the issuer's outstanding securities that is owned by the Partnership.

In determining the fair market value of the assets of the Partnership, no allowance of any kind shall be made for goodwill or the name of the Partnership or of the General Partner, the Partnership's office records, files and statistical data or any intangible assets of the Partnership in the nature of or similar to goodwill. The Partnership's goodwill shall, as among the Partners, be deemed to have no value, and no Partner shall have any right or claim individually to the use of the Partnership's name or the goodwill thereof. At the time of the Partnership's final liquidating distribution, the Partnership's name and any goodwill associated with it shall be automatically assigned to the General Partner or to whom the General Partner instructs, without any further action by any Partner.

14.4 PARTNERS' MEETINGS.

The General Partner may hold partners' meetings, in person or through video or call conference, on an annual basis or otherwise, in which it will, *inter alia*, present to the Limited Partners the Portfolio Companies of the Fund.

The General Partner shall have the power to release, report or otherwise disclose to any relevant tax authority, including the Israeli Tax Authorities any Tax Reporting Information provided to them by a Limited Partner and any other information it holds in respect of the Limited Partner's investment in the Partnership, in connection with the Tax Reporting Obligations, including, without limitation, in relation to the identity, address, tax identification number, tax status and interest in the Partnership of the Limited Partner (and any of its direct or indirect owners or affiliates).

14.7.2 Tax Reporting Liabilities

If a Limited Partner fails to provide the General Partner with any requested Tax Reporting Information on a timely basis and such failure results, or may result, in the Partnership's inability to comply with its Tax Reporting Obligations or if the Partnership is otherwise unable to comply

with its Tax Reporting Obligations as a result of the direct or indirect action (or inaction) of a Limited Partner, the General Partner may:

(a) require the compulsory withdrawal of some or all of the Limited Partner's interest without notice and may deduct or withhold from the amount payable upon such withdrawal any penalty, debt, withholding or back-up tax, costs, expenses, obligations, liabilities or other adverse consequences (collectively, "**Tax Reporting Liabilities**") imposed on the Partnership, any of its Partners and/or any of their respective directors, officers, employees, agents, managers, shareholders and/or partners as a result of such failure, action or inaction by such Limited Partner; and/or

(b) re-designate, immediately and without consent, such Limited Partner's interest as belonging to a separate class so that any Tax Reporting Liabilities may be allocated solely to and debited solely from that class.

14.7.3 Tax Reporting Consistency.

Each Limited Partner shall report the tax items attributable to its participation in the Partnership on its income tax returns in a manner consistent with the tax treatment of such items as reported to it by the Partnership.

14.8 GENERAL PROVISIONS.

14.8.1 Power of Attorney.

Each Limited Partner by execution of this Agreement constitutes and appoints the General Partner as its true and lawful representative and attorney-in-fact, with full power of substitution, in its name, place and stead, to make, execute, sign, acknowledge and deliver or file (a) all amendments of this Agreement contemplated by this Agreement including, without limitation, amendments reflecting the addition of any Partner, or any action of the Partners or the Fund Investors duly taken pursuant to this Agreement whether or not such Partner voted in favor of or otherwise approved such action, (b) one or more subscription agreements, on behalf of such Limited Partner, between the Partnership and any other Person being admitted to the Partnership as a Limited Partner pursuant to this Agreement, in such form and such other terms and conditions as the General Partner considers, in its sole and absolute discretion, necessary or appropriate, including reference to this Agreement and its novation and agreeing and covenanting with such Person on behalf of such Limited Partner that such Limited Partner will from the effective date of such subscription agreement or agreements comply with and observe the terms of this Agreement, (c) all instruments and forms (including execution on behalf of the Partners of a Hebrew translation of this Agreement) as are required to register the Partnership and this Agreement in the Israeli Companies and Partnerships Registrar, (d) any other instrument, certificate or document required from time to time to admit a Partner, to effect the admission of the Partner's assignee as a Partner, or to reflect any action of the Partners or the Fund Investors provided for in this Agreement (including without limitation, the admission of any Partner to a Parallel Fund, a Feeder Fund or an Alternative

Investment Vehicle), and (e) any other instrument, certificate or document required from time to time to effect the Transfer of a Defaulting Partner's interest; *provided*, *however*, that no actions shall be taken by the General Partner under the power of attorney granted pursuant to this 14.8.1 (i) in bad faith, (ii) in a manner that would subvert its obligations, including with respect to a Limited Partner, under this Agreement, or (iii) that would have any adverse effect on the limited liability of any Limited Partner. The foregoing grant of authority (1) is a special power of attorney deemed coupled with a proprietary interest in favor of the General Partner or given to secure the performance of an obligation owed to the General Partner and as such shall be irrevocable and shall survive the death or disability of a Partner that is a natural person or the merger, dissolution or other termination of the existence of a Partner that is a corporation, association, partnership, limited liability company or trust, and (2) shall survive the assignment by the Partner of the whole or any portion of its interest, except that where the assignee of the whole thereof has furnished a power of attorney, this power of attorney shall survive such assignment for the sole purpose of enabling the General Partner to execute, acknowledge and file any instrument necessary to effect any permitted admission of the assignee for the assignor as a Partner and shall thereafter terminate.

14.8.2 Execution of Additional Documents.

Each Partner hereby agrees to execute all certificates, counterparts, amendments, instruments or documents that may be required by laws of the various jurisdictions in which the Partnership conducts its activities, to conform with the laws of such jurisdictions governing limited partnerships or otherwise as will be required by any financial institution with whom the Partnership and/or any Portfolio Company works with.

14.8.3 Binding on Successors.

This Agreement shall be binding upon and shall inure to the benefit of the respective heirs, successors, permitted assigns and legal representatives of the parties hereto.

14.8.4 Waiver of Partition.

Each Partner hereby irrevocably waives any and all rights that it may have to maintain an action for partition of any of the Partnership's property.

14.8.5 Securities Law Matters.

Each Partner understands that in addition to the restrictions on transfer contained in this Agreement, it must bear the economic risks of its investment for an indefinite period because the Partnership interests have not been registered under any applicable securities laws of any jurisdiction and, therefore, may not be sold or otherwise transferred unless they are registered under applicable securities laws or an exemption from such registration is available.

14.8.6 Confidentiality.

(a) A Limited Partner's rights to access or receive any information about the Partnership or its business including, without limitation, (i) information to

which a Limited Partner is provided access pursuant to 14.2, (ii) financial statements, reports and other information provided pursuant to 14.2, (iii) the offering documents for the Partnership, this Agreement, any subscription agreement and any other related agreements, and (iv) any information provided to any Limited Partner pursuant to a side letter (together, the "**Partnership Information**"), are conditioned on such Limited Partner's willingness and ability to assure that the Partnership Information will be used solely by such Limited Partner for purposes reasonably related to such Limited Partner's interest as a Limited Partner, and that such Partnership Information will not become publicly available as a result of such Limited Partner's rights to access or receive such Partnership Information.

(b) Each Limited Partner acknowledges and agrees that the Partnership Information constitutes a valuable trade secret of the Partnership and agrees to maintain any Partnership Information provided to it in the strictest confidence and not to disclose the Partnership Information to any Person other than to its officers, fiduciaries, employees, agents or consultants who have a business need to know such Partnership Information, who have been informed of the confidential nature of such Partnership Information, and who are, either by the nature of their positions or duties or pursuant to written agreement, subject to substantially equivalent restrictions with respect to the use and disclosure of the Partnership Information as are set forth in this Agreement. With respect to any Limited Partner, the obligation to maintain the Partnership Information in confidence shall not apply to any Partnership Information (i) that becomes publicly available (other than by reason of a disclosure by a Limited Partner), (ii) the disclosure of which has been consented to by the General Partner in writing, or (iii) the disclosure of which is required by a court of competent jurisdiction or other governmental authority or otherwise as required by law. Before any Limited Partner discloses Partnership Information pursuant to clause (iii), such Limited Partner shall promptly, and in any event prior to making any such disclosure, notify the General Partner of the court order, subpoena, interrogatories, government order or other reason that requires disclosure of the Partnership Information so that the General Partner may seek a protective order or other remedy to protect the confidentiality of the Partnership Information or waive compliance with this Agreement. Such Limited Partner shall also consult with the General Partner on the advisability of taking steps to eliminate or narrow the requirement to disclose the Partnership Information and shall otherwise cooperate with the efforts of the General Partner to obtain a protective order or other remedy to protect the Partnership Information. If a protective order or other remedy cannot be obtained, such Limited Partner shall disclose only that Partnership Information that its counsel advises in writing (which writing shall also be

addressed and delivered to the Partnership) that it is legally required to disclose.

(c) Each Limited Partner shall promptly notify the General Partner if it becomes aware of any reason, whether under law, regulation, policy or otherwise, that it or any of its equity holders will, or might become compelled to, use the Partnership Information other than as contemplated by 14.8.6(a) or disclose Partnership Information in violation of the confidentiality restrictions in 14.8.6(b).

(d) Notwithstanding any other provision of this Agreement, the General Partner shall have the right not to provide any Limited Partner, for such period of time as the General Partner in good faith determines to be advisable, with any Partnership Information that such Limited Partner would otherwise be entitled to receive or to have access to pursuant to this Agreement (including without limitation pursuant to 14.2) or the Ordinance if: (i) the Partnership or the General Partner is required by law or by agreement with a third party to keep such Partnership Information confidential; (ii) the General Partner in good faith believes that the disclosure of such Partnership Information to such Limited Partner is not in the best interest of the Partnership or could damage the Partnership or its business (which may include a determination by the General Partner that such Limited Partner or one or more of its equity holders is disclosing or may disclose such Partnership Information and that the potential of such disclosure by such Person is not in the best interest of the Partnership or could damage the Partnership or its business) or (iii) such Limited Partner has notified the General Partner of its election not to have access to, or to receive such Partnership Information.

(e) The Limited Partners acknowledge and agree that: (i) the Partnership or the General Partner and its partners may acquire confidential information related to third parties (*e.g.*, Portfolio Companies) that pursuant to fiduciary, contractual, legal or similar obligations cannot be disclosed to the Limited Partners; and (ii) neither the Partnership nor the General Partner and its shareholders/partners shall be in breach of any duty under this Agreement or the Ordinance in consequence of acquiring, holding or failing to disclose such information to the Limited Partners so long as such obligations were undertaken in good faith.

(f) In addition to any other remedies available at law, the Partners agree that the Partnership shall be entitled to equitable relief, including, without limitation, the right to an injunction or restraining order, as a remedy for any failure by a Limited Partner to comply with its obligations with respect to the use and disclosure of Partnership Information, as set forth in 14.8.6(a) and 14.8.6(b).

(g) For the avoidance of doubt, it is hereby clarified that each of the Partners is only entitled to receive the information (including financial statements) regarding the Partnership as is expressly set out in this Agreement or as is otherwise agreed to by the General Partner.

14.8.7 Contract Construction; Headings; Counterparts.

Whenever the context of this Agreement permits, the masculine gender shall include the feminine and neuter genders, and reference to singular or plural shall be interchangeable with the other. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the other provisions, and this Agreement shall be construed and reformed in all respects as if any such invalid or unenforceable provision(s) were omitted or, at the direction of a court, modified in order to give effect to the intent and purposes of this Agreement. References in this Agreement to particular sections of the Ordinance or any other statute shall be deemed to refer to such sections or provisions as they may be amended after the date of this Agreement. Captions in this Agreement are for convenience only and do not define or limit any term of this Agreement. It is the intention of the parties that every covenant, term, and provision of this Agreement shall be construed simply according to its fair meaning and not strictly for or against any party (notwithstanding any rule of law requiring an Agreement to be strictly construed against the drafting party), it being understood that the parties to this Agreement are sophisticated and have had adequate opportunity and means to retain counsel to represent their interests and to otherwise negotiate the provisions of this Agreement. This Agreement or any amendment hereto may be signed in any number of counterparts, each of which when signed by the General Partner shall be an original, but all of which taken together shall constitute one agreement or amendment, as the case may be.

14.8.8 Applicable Law; Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of the State of Israel.

Any disputes arising under or in connection with this Agreement may be brought and enforced solely in the courts of Tel Aviv, Israel, and the parties irrevocably submit to the exclusive jurisdiction of such courts in respect of any such action or proceeding. The parties irrevocably waive, to the fullest extent permitted by law, any objection that they may now or hereafter have to the laying of venue of any such action or proceeding in the courts of Tel Aviv and any claim that any such action or proceeding brought in any such court has been brought in any inconvenient forum. Each party hereby irrevocably consents to the service of process of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address as set forth herein.

14.8.9 Letter Agreements.

Notwithstanding anything in this Agreement to the contrary, the Partnership and/or the General Partner may, in its sole discretion, enter into a letter agreement or side letter with one or more Limited Partners providing that the terms of this Agreement are amended and/or supplemented

with respect to such Limited Partner and, with respect to any such Limited Partner, the terms of such letter agreement or side letter shall be controlling, and the terms of this Agreement shall be deemed amended, modified and/or supplemented to the extent required to effectuate the provisions of such letter agreements or side letters; *provided that* any such side letter does not directly adversely affect the other Limited Partners. In addition, the terms of any letter agreement or side letter entered into with a Limited Partner shall apply *mutatis mutandis* to any Parallel Fund or Feeder Fund in which such Limited Partner is admitted or Alternative Investment Vehicle in which such Limited Partner's interest is held directly or indirectly, each to the extent relevant thereto. Other than as amended, modified and/or supplemented by such letter agreement or side letter, this Agreement shall remain in full force and effect with respect to such Limited Partner, and shall remain in full force and effect without any modification with respect to a Limited Partner who is not party to such letter agreement or side letter.

14.8.10 English Language.

This Agreement is being executed in the English language and it is the intention of the Partners to be bound thereby. A Hebrew translation of this Agreement will be submitted to the Israeli Partnerships Registrar for the purpose of registering this Agreement. The Hebrew translation of this Agreement should not be used in construing this Agreement, and no Person may rely on the Hebrew translation when dealing with the Partnership. In no event shall any translation of this Agreement (whether executed by the Partners or not) submitted to the Israeli Partnerships Registrar be considered in construing this Agreement and any such translation will not be binding. For the removal of doubt, and in the event of any ambiguity, discrepancy or conflict between the two versions, the terms and conditions of this English version of this Agreement shall prevail.
