   iv. it waives, and/or shall cooperate with the Fund to obtain a waiver of, the provisions of any law which:
      a) prohibit the disclosure by the Fund, or by any of its agents, of the information or documentation requested from the Investor pursuant to paragraph (ii); or

(vi) The Investor represents and warrants that it is not and, to the best of its knowledge or belief, none of its beneficial owners, controllers or authorized persons ("Related Persons") (if any) is, a politically exposed person[3], or a

[1] "**shell bank**" means any institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating, as the case may be, and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision.

[2] A "**Non-Cooperative Jurisdiction**" is any foreign country or territory that is designated as non-cooperative with international anti-money laundering principles or procedures by an intergovernmental group or organization, such as FATF.

[3] "**politically exposed person**" means (a) a person who is or has been entrusted with prominent public functions by a foreign (non-Cayman Islands) country, for example a Head of State or of government, senior politician, senior government, judicial or military official, senior executive of a state owned corporation, and important political party official; (b)a person who is or has been entrusted domestically (in the Cayman Islands) with prominent public

family member[4] or close associate[5] of a politically exposed person, or is acting on behalf of a politically exposed person, or is a shell bank. Further, the Investor understands that enhanced due diligence may need to be undertaken, and the Fund reserves the right to decline the subscription, where the Investor or any of its Related Persons is a politically exposed person, or a family member or close associate of a politically exposed person, or is acting on behalf of a politically exposed person.

(vii) The Investor is not and, to the best of the Investor's knowledge or belief, none of its Related Persons (if any) is (i) named on any list of sanctioned entities or individuals maintained by the US Treasury Department's Office of Foreign Assets Control ("OFAC") or pursuant to European Union ("EU") and/or United Kingdom ("UK") Regulations (as the latter are extended to the Cayman Islands by Statutory Instrument), (ii) operationally based or domiciled in a country or territory in relation to which sanctions imposed by the United Nations, OFAC, the EU and/or the UK apply, or (iii) otherwise subject to sanctions imposed by the United Nations, OFAC, the EU or the UK (including as the latter are extended to the Cayman Islands by Statutory Instrument) (collectively, a "Sanctions Subject").

If the assets of the Fund were regarded as "plan assets" for a Benefit Plan Investor, the Fund Manager would be a "fiduciary" (as defined in ERISA) with respect to such plan and would be subject to the obligations and liabilities imposed on fiduciaries by ERISA and/or the IRC. Moreover, the Fund would be subject to various other requirements of ERISA and/or the IRC. Without limiting the ability of the Fund to compel the compulsory redemption of Shares by anyone who is not a Qualifying Investor, the Fund may require the compulsory redemption of Shares to ensure that the interests of Benefit Plan Investors do not equal 25 per cent or more of the value of any Class. The Fund reserves the right, however, to waive, in the Director's sole and absolute discretion, the 25 per cent limitation and thereafter to comply with ERISA.

(xi) The Investor warrants and represents that he/it should consult their professional advisers on the possible tax and other consequences of their subscribing for, purchasing, holding, selling, exchanging or redeeming. The Directors, the Fund, the Fund Manager, the Administrator, the Sub-Administrator and each of their agents shall have no liability in respect of the individual tax affairs of Shareholders.

(xx) The Investor (a) has informed itself as to the securities laws and other legal requirements within the countries and other jurisdictions that are relevant to the Investor, (b) understands that he/it is responsible for complying with all such requirements, and (c) has complied therewith including, without limitation, by obtaining all requests, approvals consents, and where necessary consulted with local counsel in order to enable him/it to invest in the Fund.

(iv) The Investor acknowledges and agrees that any notations, alterations, strike-outs, addenda, inserts or verbiage purporting to amend the terms of this subscription agreement shall not be effective unless explicitly agreed to by the Fund or its agents. Absent explicit agreement, the issuance of a trade confirmation or contract note shall not be construed as the Fund's acceptance or agreement to any such purported amendments.
