30TH April 2019

Dear Mrs. Marash,

We are fully aware of how important the relationship is between you and your Relationship Manager (RM) when it comes to your wealth management requirements. We take great pride in strengthening and nurturing these with you. Your RM up until today has been Daniel Webb, supported by Tilly Aung; unfortunately Daniel has decided to not only take up a fresh challenge elsewhere but will be moving to Switzerland with his family as well.

Whilst we appreciate that these changes are not always welcome we will do everything in our power to ensure a seamless and fluid transition following Daniel's departure. With that in mind, I will personally be taking over the relationship HSBC Private Banking has with you, with the continued support of Tilly as your CSE; until such time as we are able to introduce you to your new Relationship Manager. For the avoidance of doubt the remainder of your team, Investment Counsellor and/or Credit Advisor remain the same.

I very much look forward to meeting you in the near future and of course, remain at your disposal in the meantime. My contact details can be found below:
