The LP interest is recognised at fair value, which is reported by the Fund to the Issuer on a quarterly basis. The valuation of the LP interest in this report is based on unaudited financial statements provided by the Fund dated 31 December 2020 and the Manager has made adjustments to reflect cashflows to and from the Fund between the date of the unaudited financial statements and the date of this report. Capital drawn in respect of the second close on 14 January 2021 is included as a cashflow adjustment and has not been revalued. This will be done based on the Fund reporting dated 31 March 2021, when available. The Fund estimates the fair market value of the its Fund Portfolio Investments typically based on valuation information provided by underlying portfolio investment managers at various reporting dates, the majority of which are at 30 September 2020 for the unaudited financial statements dated 31 December 2020.

Payment Date Disclaimer

The Notes may be beneficially owned only by Persons that (a)(i) are not U.S. persons (within the meaning of Regulation S under the Securities Act) that are “Accredited Investors” (as defined in Rule 501(a) of Regulation D promulgated under the Securities Act) who purchased their beneficial interest in an offshore transaction or (ii) are “Qualified Institutional Buyers” (as defined in Rule 144 A under the Securities Act) that are also “Qualified Purchasers” (within the meaning of Section 2(a)(51) of the Investment Company Act) and (b) can make the representations set forth in Section 2.5 of the Indenture or the appropriate Exhibit to the Indenture. Beneficial ownership interests in the Rule 144 A Global Notes may be transferred only to a Person that (1) is both a Qualified Institutional Buyer and a Qualified Purchaser and (2) that can make the representations referred to in clause (b) of the preceding sentence. If any prospective transferee of the Notes (or any beneficial or economic interest therein) does not meet the qualifications set forth in the preceding sentence, then the Issuer has the right (exercisable in its sole discretion) to refuse to honor such transaction, and the Issuer has the right (exercisable in its sole discretion) to treat the transfer to such purchaser as null and void and require such purchaser to sell all of its Notes (or any beneficial or economic interest therein), or to sell such Notes (or any beneficial or economic interest therein) on behalf of such owner, pursuant to Section 2. 11 of the Indenture.

Each holder receiving this report agrees to keep all non-public information herein confidential and not to use such information for any purpose other than its evaluation of its investment in the Notes; provided that any holder may provide such information on a confidential basis to any prospective purchaser of such holder’s Notes that is permitted by the terms of the Indenture to acquire such holder’s Notes and that agrees to keep such information confidential in accordance with the terms of the Indenture .”
