NEW INVESTMENTS

HUMANZ

Humanz is an AI-powered influencer marketing platform engineered to bring back trust between marketers, content creators and their audiences, aimed at combating influencer fatigue while also measuring true ROI and creating a safe and seamless end-to-end experience for all parties involved.

Humanz is now established in numerous markets, with strong partnerships with leading brand portfolio companies, D2C businesses and agencies, including L'Oréal, Unilever, Kimberly-Clark, Nestlé, Cipla, Reckitt Benckiser, Universal McCann and GroupM.

The company was founded in 2019 by 8200 veterans with a very strong focus on deep-tech and data analytics.

The company is expected to reach over $7M in gross revenues in 2021.

As part of the round, we introduced Ronen Nir to the company. Ronen is one of the best early-stage investors in Israel and we asked him to become the chairman of the company (Ronen also invested $50K in the company as a private investment)

Seed Round: $3M at $15M pre-valuation (15%)

Additional Investors: Schestowitz $2M / SAFE: More Capital $3M

MUUULA

Muuula is looking to revolutionize a very lucrative gaming section that hasn't been addressed since the early appearance of very basic brain games on the app stores.

The company plans to bring a new type of experience to the gaming world by adding a very sophisticated game economy principles which are mostly utilized in casino type of games onto a conservative gaming environment and create more competitive and payable experience than the typical game apps we can find today in the gaming world.

The CEO was the head of monetization at Playtika, and he founded the company with two friends, both R&D developers with vast experience and broad capabilities.

Seed Round: $3M at $12M pre-valuation (18.75%)

FOLLOW-ON INVESTMENTS

EDGE GAMING

The company is developing a cutting-edge gaming experience in collaboration with Esports clubs, enabling endless possibilities for gamers to play, engage, socialize, and train with the games they love.

Less than a quarter after we made our initial investment in the company at a pre-valuation of $4M, Playtika approached the company with a proposal to invest additional $10M to accelerate the development process and achieve the planned milestones faster.

Pre-valuation for this round was $30M. The outcome is that within a quarter, the company valuation went up 10X. We invested $1.45M and kept our pro-rata in the company.

Seed Round Extension: $1.45M at $30M pre-valuation (14.5%)
