משקיע יקר,

הנדון: **תיקון מספר 2 להסכם השותפות של Harel Finance Alternative Hamagen שותפות מוגבלת**

פנייתנו זו הינה בקשר עם השקעתך ב- Harel Finance Alternative Hamagen שותפות מוגבלת ("**הקרן**" או "**השותפות**"). כידוע, הקרן החלה את פעילותה בשנת 2019, ותקופת ההשקעה בהתאם להסכם הקרן צפויה להסתיים בסוף שנת 2023.

ממועד ההקמה הקרן אישרה מעל 100 הלוואות בהיקף של כ- 1.5 מיליארד ₪, והיא פועלת להשאת תשואה למשקיעים.

על מנת שנוכל להמשיך לבצע השקעות ולהשיא תשואה לכלל המשקיעים בקרן, ברצוננו להפוך את הקרן לקרן פתוחה ללא אורך חיים מוגבל. יודגש, כי ההשקעה תמשיך להתנהל באותה דרך בה התנהלה עד היום, כך שההשקעות בקרן ייעשו לצד שותפים מקומיים, עמם יש לקבוצת הראל ניסיון עסקי קודם, ואשר מתמחים באזורים ספציפיים ברחבי ארה"ב ולהם ביצועים מוכחים של עשרות שנים בסגמנט הרלוונטי.

בהתאם לסעיף 14.1 להסכם השותפות של הקרן מיום ה-5 בנובמבר, 2019 כפי שתוקן ביום 5 בינואר, 2022 ("**הסכם השותפות**"), המהלך המבוקש מחייב הסכמה בכתב של השותפים המוגבלים בשותפות בעלי זכות הצבעה (שאינם שותפים מפרים), אשר סך השקעתם המצרפית בקרן היא מעל 50% מסך כלל ההשקעות המצרפיות בקרן.

השינויים המרכזיים המוצעים בהסכם השותפות הינם כמפורט להלן:

1. הוספת שלושה קלאסים חדשים, כך שיהיו סך הכל שישה קלאסים שמתוכם (א) שלושה קלאסים הם על בסיס חלוקה קבועה במטבע דולר ארה"ב ושקל חדש, ו-(ב) שלושה קלאסים הם על בסיס השקעה מחדש בקרן במטבע דולר ארה"ב ושקל חדש.
2. כלל הקלאסים יהיו כפופים לתקופת חסימה של 12 חודשים מיום ההשקעה של המשקיע הרלוונטי.
3. הקרן רשאית להציע למחזיקי קלאסים מסוימים במטבע שקל חדש גידור מטבעי.
4. לאחר תקופת החסימה הרלוונטית, משקיע רשאי לבקש להמיר את היחידות המוחזקות על ידו בקלאס מסוים לקלאס אחר לפי הוראות הסכם השותפות המתוקן.
5. מטרות ומדיניות ההשקעה של הקרן חודדו כדי לאפשר, בין היתר, השקעה על ידי קופת גמל בניהול אישי (IRA), בהתאם לרגולציה הישראלית.
6. שאר השינויים הם טכניים כדי להתאים את הסכם השותפות לשינויים המפורטים לעיל.

נודה על קבלת אישורכם בעמוד הבא לתיקון הסכם השותפות.

למען הסר ספק, יובהר, כי אין צורך בחתימה מחודשת על מסמכי התקשרות.

בכל שאלה או הבהרה בקשר עם הודעה זו ניתן לפנות לגב' רותם לזר בטלפון 052-3578449.

את החלטתכם יש להעביר לכתובת המייל - t-hfa@harel-finance.co.il.

אין באמור לעיל כדי להוות ייעוץ משפטי או מיסויי או תחליף לייעוץ משפטי או מיסויי.

בברכה,

The General Partner or an Affiliate thereof shall serve as the manager of the Alternative Investment Vehicle, the liability of the Limited Partners shall be limited, and the terms and

conditions of such Alternative Investment Vehicle shall be adjusted so as to be substantially the same in all material respects as those of the Partnership *provided*, however, that (a) such terms and conditions may vary to address the tax, legal or regulatory concerns that led to the formation of such Alternative Investment Vehicle, and (b) provisions in the organizational documents of the Alternative Investment Vehicle and the corresponding provisions of this Agreement (including provisions relating to allocations and distributions of profits and losses and the General Partners obligation to return certain amounts to the Partnership upon liquidation) shall be consistent and, if necessary, modified to carry out the purpose and intent of this Agreement. Moreover, to the extent that the General Partner shall elect that all investments of the Partnership be made through one Alternative Investment Vehicle, the General Partner may contractually agree with such Alternative Investment Vehicle that the Partnership's liabilities towards the General Partner or the Management Company, or any of them, shall be paid by such Alternative Investment Vehicle in lieu of a direct liability of the Partnership pursuant to this Agreement. Expenses associated with the operations of the Partnership and any Alternative Investment Vehicle shall be allocated between them in a manner which the General Partner deems suitable.

2.6 MASTER/FEEDER STRUCTURE

Each Limited Partner hereby acknowledges and agrees that the General Partner may, in its sole discretion, form a Master/Feeder structure, including by turning the Partnership into a "Master Fund" and establishing one or more feeder funds. In the event that subscription monies of a Person were not transferred from the Parking Account to the Fund's account within 90 days of the transfer of monies to the Parking Account by such Person, such monies shall be returned to the account from which they were transferred (unless agreed otherwise by the General Partner and such Person) and such Person will not be admitted as a Limited Partner in the Partnership with respect to such subscription monies and such Person shall not have any right or claim against the General Partner or the Partnership with respect to such returned subscription monies. Subscription monies held in the Parking Account may be invested by the General Partner in short term cash deposits or short-term mutual funds including, without limitation, mutual funds managed or advised by Affiliates of the General Partner.

7.3.5 Each Partner shall bear all handling and other bank charges in connection with remittance of funds in respect of any application for Units made by it.

7.3.6 Each Partner will receive written confirmation from the Administrator of its subscription amount and the number and class of Units purchased by such Partner.

7.3.7 No certificates will be issued for Units. Fractional Units may be issued up to four decimal places.

7.3.8 The General Partner reserves the right to reject, at any time, any application in whole or in part, for any reason (and for no reason at all) in its sole and absolute discretion, in which event the subscription monies or any balance thereof which was rejected will be returned to the account from which they were received within a reasonable period of time. Where applications are accepted, notification of acceptance will be sent as soon as reasonably possible and normally no later than the next Subscription Date after the relevant Subscription Date.

7.4 SUBSCRIPTION PRICES.

7.4.1 Any Units issued subsequent to the Initial Subscription Date (including Class A Units, Class A-1 Units, Class B Units, Class B-1 Units, Class C Units, Class C-1 Units, Class D Units, Class D-1 Units, Class E Units and Class E-1 Units issued following the Initial Subscription Date) will be issued in the relevant currency of the particular class at the relevant subscription price on each Subscription Date, which will be equal to the NAV per Unit of the relevant class as at the Calculation Date preceding the Subscription Date on which the subscription is effective (the "**Subscription Price**").

7.5 REDEMPTION OF UNITS.

7.5.1 The Units of a Partner in the Partnership may not be redeemed from the Partnership prior to its dissolution except as provided in this Section 7.5. The redemption price per Unit of a class will be equal to the NAV per Unit of such class as at the Calculation Date immediately preceding the relevant Redemption Day. In any event, the Partnership shall set aside, at all times, a reserve of at least 2.5% of the Contributions for payment to withdrawing Limited Partners.

7.5.2 Following the Lock-Up Period, any Limited Partner may voluntarily redeem all or part of its Units in the Partnership on each Redemption Day, by giving irrevocable written notice to the General Partner and Administrator at least ninety (90) days prior to such Redemption Day and indicating the amount to be withdrawn pursuant to such notice and/or the number and class of Units to be redeemed (a "**Redemption Request**"). Notwithstanding the foregoing, in connection with Class A Units, Class A-1 Units, Class B Units, Class B-1 Units, Class C Units and Class C-1 Units only, such redemption shall be subject to a deduction of up to 2.5% of the value of the Limited Partner's Interest in the Partnership which is being redeemed if such redemption is being requested during the 12 month period following the Lock-Up Period, or 1.5% if such request is being made more than 12 months from the end of the Lock-UP Period, unless approved otherwise by the General Partner ("**Redemption Fee**"). The Redemption Fee shall be payable to and accrue to the benefit of the General Partner, which may be used to cover the financing costs of the General Partner's affiliated entities who may provide liquidity for the redemption process as set forth in Section 7.5.4 below and in such event, the amount paid to the Limited Partner shall be reduced as required. The minimum Redemption amount in respect of each redeeming Limited Partner, shall be the lower of (i) NIS 200,000 in respect of Class B Units, Class B-1 Units, Class C Units, and Class C-1 Units, and US$ 50,000 in respect of Class A Units and Class A-1 Units, and (ii) the NAV of a Partner for such redeeming Limited Partner, unless otherwise determined by the General Partner, *provided* that if following the partial Redemption, the NAV of a Partner of such redeeming Limited Partner as of the proposed Redemption Day would be lower than NIS 200,000 in respect of Class B Units, Class B-1 Units, Class C Units, and Class C-1 Units, and US$ 50,000 in respect of Class A Units and Class A-1 Units, the General Partner, with a prior notice at least one (1) Business Day prior to the applicable Redemption Day, will be permitted to redeem all of such Limited Partner's remaining Units.

7.5.3 All payments of Redemption proceeds will be made by wire transfer to the bank account from which the subscription funds were originally received from the Limited Partner concerned for such purpose, unless otherwise agreed in advance by the General Partner to transfer such proceeds to another bank account managed for the same Limited Partner.

7.5.4 Notwithstanding Section 7.5.3 above and without derogating from Section 7.5.5 below: in cases, where the General Partner believes that on a particular Redemption Date, there is no possibility to make the redemptions in accordance with all or part of the Redemption Requests that have been received by it with respect to a Redemption Day, including in cases where (i) there is no possibility to evaluate the Partnership's assets, and/or (ii) the Partnership is not in possession of sufficient amounts to perform such Redemption Requests, and/or (iii) the Partnership does not have the ability to dispose of Portfolio Investments at the required scope to support the requested Redemptions, and/or (iv) such disposal could cause damage to the Partnership and/or to the Partners, and/or (v) the cumulative amount of all Redemption Requests for such Redemption Date exceeds 10% of the NAV of the Partnership, the General Partner will be entitled to postpone, or reduce the Redemption amounts, by giving notice to the relevant redeeming Partners. In any event of postponement of the Redemption Date or the reduction of the Redemption amount, such will be made pro rata for all Limited Partners who have submitted Redemption Requests with respect to the said Redemption Date, in accordance with their requested redemption amount. A Redemption Notice will be deemed to have been given in respect of the postponed amount for each Redemption Date that will occur thereafter, up until the full redemption thereof, and this amount will be paid to the redeeming Partner prior to the payment of amounts against Redemption Requests that are subsequent to the said requested Redemption Date. Without derogating from the above, an affiliated entity of the General Partner may, in events where there are no sufficient funds to support all Redemption Requests in respect to all of the classes at a certain Redemption Date, purchase up to the lower of 10% of the NAV of the Partnership or US$ 10 million, which amount shall be allocated pro-rata between the redeeming Limited Partners at such Redemption Date. The aggregate thresholds for the General Partner's affiliate above are being made as an aggregate undertaking for the entire duration of the Fund and not for a specific Redemption Date.

7.5.5 In case of a Limited Partner that acquired Interest in the Partnership in multiple Subscription Dates, the Redemption Request by such Limited Partner shall be affected on a first in first out basis in respect of such Partner's Interest in the Fund.

7.5.6 A redeeming Partner shall not share in the income, gains and losses of the Partnership or have any other rights as a Partner after the effective date of the Redemption with respect to the portion of its Units that is being redeemed. A Limited Partner shall cease to be a Limited Partner after the effective date of the Redemption if, following such Redemption, such Limited Partner holds no Units in the Partnership. The List of Partners shall be amended to reflect such Redemption.

7.5.7 The General Partner will deduct from any Redemption payments or otherwise charge to the redeeming Limited Partner a Redemption charge, which will reflect actual costs to the Partnership and existing Partners associated with funding Redemptions, including taxes to be paid in accordance with a Tax Ruling, to the extent applicable, and any expenses, including Management Fees, commissions, currency conversion fees and such other payments.

The amount of such costs retained by the Partnership in connection with any Redemption, net of any actual costs and expenses of processing the Redemption, shall be allocated among and credited between the redeeming partners on the commencement of the quarter immediately following the effective Redemption Day in accordance with the respective number of Units held by each of them at such time. If the Partnership is required by the laws of any applicable jurisdiction to make a withholding from any Redemption monies payable to a Limited Partner (including tax withholding), the amount of such withholding shall be deducted from the Redemption monies otherwise payable to such Limited Partner.

7.5.8 Upon receipt of a Limited Partner's notice of intention to redeem from the Partnership, the General Partner shall have the discretion to manage the Partnership's assets in a manner which would provide for cash being available to satisfy such Limited Partner's request for Redemption, but the General Partner shall be under no obligation to effect sales of Partnership assets if the General Partner, in its sole and absolute discretion, determines, with respect to any Redemption Day, that sales of the Partnership's assets will cause such transactions to be detrimental to the interest of the other Partners.

7.5.9 Generally, payment of the redemption amount will be made in cash and will be paid in the currency of the Units being redeemed; provided that the General Partner may determine, in certain circumstances that the payment of the redemption amount will be made in kind. Such payments or distribution in kind, shall be made within 30 Business Days after the effective Redemption Day, without interest; provided that all of the required redemption documentation and anti-money laundering requirements have been furnished to and received by the Administrator. Nonetheless, if the redeeming Limited Partner notified the General Partner in writing, prior to the requested Redemption Day, that it is legally prevented from receiving the distribution amount in kind, the General Partner will use commercially reasonable efforts to ensure that such redeeming Limited Partner will receive the redemption amount in cash (after reducing from the cash amount any loss incurred by the Partnership or the other Partners with respect to the payment in cash of the redemption amount).

7.5.10 The General Partner may, in its sole and absolute discretion, redeem any or all of its Units of a Limited Partner in the Partnership, with a prior written notice of at least ten (10) days to the relevant Limited Partner, which shall indicate the Redemption Day at which the Redemption shall take place. The General Partner may be permitted, but shall not be obligated, to determine such compulsory redemption will take place: (A) in order to guarantee that the General Partner's, the Investment Manager or the Partnership's compliance with applicable law, (B) in cases where the Redemption is required in order to maintain the Partnership's tax status, (C) in cases where the Redemption is required due to any law that may pose any limitations on the Partnership, its management or its business activities, (D) in order to avoid any adverse effect on the Partnership or the Partners, and (E) for any other reason determined by the General Partner.

7.5.11 A pro rata Management Fee will be charged from such Limited Partner as of the effective date of the mandatory Redemption. The amount due to any such Partner required to redeem from the Partnership shall be equal to the NAV of a Partner of such redeeming Partner as of the effective date of the Redemption net of any charges imposed pursuant to Section 7.5.7 hereof.

7.5.12 The right of any Partner to redeem or of any Partner to receive a distribution from the Partnership pursuant to the provisions of this Section 7.5.12 is subject to the provision by the General Partner for all Partnership liabilities and for reserves for contingencies provided for in Section 3.3 herein.

7.5.13 Notwithstanding anything to the contrary in Section 14.1, the General Partner may, in its sole discretion, waive all or a portion of the terms of this Section 7.5 on behalf of itself, the Partnership and all Limited Partners in order to reduce the limitations imposed on any Limited Partners to effect a Redemption of Units hereunder.

7.6 CONVERSION OF CLASS OF UNITS.

7.6.1 After the Lock-up Period, a Limited Partner may request to exchange all, or part of the Units held by it, in the following Subscription Date, into such different class or classed of Units by providing the General Partner a notice of at least 15 days prior to the requested Subscription Date for such exchange. If the General Partner accepts such request, in whole or in part, the relevant Units will be converted into such other class or classes of Units as requested, according to the then prevailing NAV per Unit of the converted Units, and the requesting Limited Partner will be issued Units of such other requested class(es) according to the NAV per Unit of the requested Units. Any exchange fees or such other commissions or expenses associated with the requested conversion will be reduced from the Capital Account of the Limited Partner requesting the conversion.

ARTICLE 8 - DISTRIBUTIONS

8.1 AMOUNT, TIMING AND FORM.

8.1.1 **General.**

Subject to the other provisions of this Agreement, the General Partner may determine from time to time to make distributions of available proceeds to the Partners, in the amount and timing it finds suitable and in accordance with the provisions of this Article 8.

8.1.2 **Distribution of Proceeds of Investments.**

8.1.2.1 Subject to reinvestment permitted under Section 5.3 and subject to payment of the Partnership's Expenses, liabilities and obligations (including but not limited to the Management Fee, the Initiation Fee and any current or anticipated liabilities of the Partnership or the retention of amount to cover such expenses, liabilities and obligations), the Partnership may make distributions to the Partners, in the manner described in this Article 8 or Article 11, as the case may be, and at the time or times determined by the General Partner in its discretion, in a proportionate manner to the Limited Partners based on the NAV of a Partner of each such Partner.

8.2 DISCRETIONARY DISTRIBUTIONS.

8.2.1 **Distributions**

At the end of each accounting quarter, the profits or losses of the Partnership (except for expenses and charges, if any, allocated specifically to each Limited Partner, in accordance with the terms applicable to its Interest) for such accounting period shall be allocated (and credited or debited, as the case may be) to the Partner Accounts of the Partners in accordance with each Partner's Interest as of the first Business Day of such accounting period (taking into account any Contributions made as of such day).

8.2.2 **Distributions to the General Partner.**

8.2.2.1 The General Partner shall be entitled to an annual fee, such that as of the last Business Day of each calendar year of the Partnership, the balance (following the allocations of profits and losses to the Partners' Accounts) of the Partner's Account maintained with respect to each Limited Partner shall be reduced by an amount (each such amount, an annual "**Performance Fee**"), calculated separately with respect to each Unit owned by such Limited Partner, (A) with respect to Class A Units, Class A-1 Units, Class B Units, Class B-1 Units, Class C, Class C-1 Units, of fifteen percent (15%) of the amount, if any, by which the NAV of such Unit on the date of calculation exceeds the sum of (i) the amount of the High Water Mark, and (ii) a return of seven percent (7%) with respect to the amount of such High Water Mark, and (B) with respect to the Class D, Class D-1 Units, Class E Units and Class E-1 Units of fifteen percent (15%) of the amount, if any, by which the NAV of such Unit on the date of calculation exceeds the High Water Mark with respect to such Unit, all calculated from the date of the payment of the Performance Fee with respect to such Units (or the Subscription Date with respect to such Unit, in the case no Performance Fee was paid in respect of such Unit). Each annual Performance Fee shall be accrued and paid once a year or upon a withdrawal of a Limited Partner.

For the purpose of this Section 8.2.2.1, "***High Water Mark***" shall mean the greater of the NAV per Unit of a class at the time of issue of that Unit of such class and the highest NAV per Unit of that class of Unit achieved as at the end of any previous calendar year (if any) during which such class of Unit was in issue (or the date of the initial issue of the relevant class of Unit). For the purpose of calculating the High Water Mark per Unit, Units which are acquired from existing Limited Partners in accordance with the provisions of this Agreement, will be treated as if they were issued on the date of the acquisition at the most recent Subscription Price for these purposes.

8.2.2.2 The amount of all Performance Fee shall be allocated to the General Partner and credited to the Partner's Account maintained with respect thereto. The amount of any Performance Fee allocated to the Partner's Account of the General Partner shall, in the discretion of the General Partner, be distributed to the General Partner from time to time. Any such amounts not so distributed within one (1) month shall continue to be invested by the Partnership on the General Partner's behalf.

8.3 TAX DISTRIBUTIONS.

The Partnership may, at the General Partner's sole discretion, distribute to each Partner, in respect of each fiscal year, an amount of cash, calculated based on the highest tax rate applicable to the Partners in the Partnership, in order to cover such Partners' tax liability with respect to the Partnership's income. Tax distributions will count as distributions for all purposes, including without limitation for determining whether Partners have received a full return of their Contributions (a "**Tax Distribution**").

8.4 CERTAIN DISTRIBUTIONS PROHIBITED.

Anything in this Article 8 to the contrary notwithstanding, no distribution shall be made to any Partner if, and to the extent that, such distribution would not be permitted under any applicable provisions of the Act.

ARTICLE 9 - PARTNER ACCOUNTS; ALLOCATIONS

Allocations

for tax purposes shall be made in a manner consistent with the allocations to Partner Accounts, except to the extent necessary to take into account any differences between tax and book accounting, in which case the tax allocations shall be made in compliance with applicable tax laws. The General Partner may, in its discretion, adjust the allocation of profits and losses, or manage the Partner Accounts in a different manner, in order to comply with any applicable law, or to address tax considerations.

The General Partner shall not assign, pledge, mortgage, hypothecate, give, sell or otherwise dispose of or encumber (each such act, a "**Transfer**") all or any part of its general partnership interest in the Partnership, except (a) in connection with the change or technical reconstitution of the form of legal entity of the General Partner, (b) with the consent of Majority-in-Interest of the Limited Partners, or (c) to an Affiliate of the General Partner or the Management Company. Any attempted Transfer of the General Partner's interest except in compliance with the preceding sentence shall be void. If a General Partner Transfers its interest pursuant to this Section 12.1, the transferee shall be admitted to the Partnership only upon the written consent of the transferring General Partner. The General Partner may pledge its limited interests in the Partnership to secure financing obtained by it for making a Contribution. In connection with any borrowing by the Partnership, the General Partner may collaterally assign and/or pledge the right of the Partnership to make and receive drawdowns of Contributions otherwise permitted by this Agreement, the right to collect such Contributions and the right to exercise the remedies provided under this Agreement in the event of a failure of a Partner to make its Contribution, to a lender to secure a loan to the Partnership and/or to an Affiliate thereof, and no such collateral assignment shall be treated as a Transfer for purposes of this Agreement or otherwise require the consent of the Limited Partners. 12.2 TRANSFERS OF LIMITED PARTNERSHIP INTERESTS.

12.2.1 **General.**

No Transfer of a Limited Partner's Units in the Partnership, in whole or in part, shall be made other than pursuant to this Article 12 12.2. Any attempted Transfer of all or any part of a Limited Partner's Interest in the Partnership without compliance with this Agreement shall be null and void. No Transfer of any Partnership Units pursuant to this Article 12 12.2. shall be made except pursuant to an effective registration under the United States Securities Act of 1933, as amended, and any applicable state securities laws, or an exemption from such registration.

12.2.2 **Consent of General Partner.**

The prior written consent of the General Partner, which may be granted or withheld in its sole discretion, shall be required for any Transfer of all or part of any Limited Partner's Units in the Partnership, including a Transfer solely of an economic Interest in the Partnership. Notwithstanding the above, the General Partner shall not unreasonably withheld its consent to a pledge over Units in favor of a respectable financing institution that provided the

financing for the respecting Limited Partner for the purpose of purchasing such Units. As a condition to its consent to a Transfer, the General Partner shall be authorized to impose such terms or request such information, as it deems appropriate, in its sole discretion.

12.2.3 **Required Representations by Parties.**

Each transferor and transferee shall provide the General Partner, in connection with any proposed Transfer, with written representations as the General Partner may reasonably request. The General Partner and counsel to the Partnership shall be permitted to rely upon any representations made by the transferor and transferee(s), and on written representations from other Partners made prior to or contemporaneously with such proposed Transfer. The General Partner, in its sole discretion, may waive its right to obtain any representations otherwise required by this Section 12.2.3.

12.2.4 **Opinion of Counsel.**

Any Transfer otherwise permitted hereunder will be made only upon receipt by the Partnership of a written opinion of counsel for the Partnership or of other counsel reasonably satisfactory to the General Partner, in form and substance satisfactory to the General Partner, as to compliance with this Article 12 12.2 and such other legal matters as the General Partner reasonably may request, including to the effect that the proposed Transfer may be effected without registration under the United States Securities Act of 1933 and any applicable state securities laws. The General Partner may waive, in whole or in part, the requirement of an opinion pursuant to this Section 12.2.4.

12.2.5 **Reimbursement of Transfer Expenses.**

The transferor of any Units in the Partnership hereby agrees to reimburse the Partnership, at the request of the General Partner, for any expenses reasonably incurred by the Partnership in connection with a proposed Transfer, including the costs of seeking and obtaining the legal opinion required pursuant to Section 12.2.4 and any other legal, accounting and miscellaneous expenses ("**Transfer Expenses**"), whether or not such Transfer is consummated. At its election, and in any event if the transferor has not reimbursed the Partnership for any Transfer Expenses incurred by the Partnership in preparing for or consummating a proposed or completed Transfer within ten days after the General Partner has delivered to such Partner written demand for payment, the General Partner may offset the amount of Transfer Expenses against any distribution payable under Article 8 or Article 11 with respect to the Units transferred or proposed to be transferred (it being understood that the amount so offset shall be deemed to have been distributed).

12.4 NON-COMPLIANT TRANSFER.

If a Transfer has been proposed or attempted but has not satisfied the requirements of this Article 12 (including, as determined in good faith by the General Partner, any transaction which does not otherwise constitute a Transfer but a purpose of which is to achieve indirectly a result similar to that which would be achieved directly if such transaction were structured as a Transfer), the General Partner shall not admit the purported transferee as a Limited Partner but, to the contrary, shall use its reasonable best efforts to ensure that the Partnership (a) continues to treat the transferor as the sole owner of the Units in the Partnership purportedly transferred, (b) makes no distributions to the purported transferee, and (c) does not furnish to the purported transferee any tax or financial information regarding the Partnership. The General Partner shall also use its reasonable best efforts to ensure that the Partnership does not otherwise treat the purported transferee as an owner of any Units in the Partnership (either legal or equitable), unless required by law to do so. The Partnership shall be entitled to seek injunctive relief, at the expense of the purported transferor, to prevent any such purported Transfer.

12.5 MULTIPLE OWNERSHIP.

If any Transfer results in multiple ownership of any Limited Partner's Units in the Partnership, the General Partner may require one or more trustees or nominees to be designated as representing a portion of or the entire Interest transferred for purposes of (a) receiving all notices which may be given, and all payments which may be made, under this Agreement and (b) exercising all rights which the transferor as a Limited Partner has pursuant to the provisions of this Agreement.

ARTICLE 13 - EXCULPATION AND INDEMNIFICATION

13.1 EXCULPATION.

13.1.1 **General.**

No Covered Person, whether or not such Person remains a Covered Person, shall be liable to the Partnership or any Partner for any loss suffered by the Partnership or any Partner which arises out of any investment or any other action or omission of such Covered Person if it has been finally determined by a court of competent jurisdiction that such conduct constitutes fraud, intentional misconduct or gross negligence. For purposes of this Article 13, "**Covered Person**" shall mean the General Partner (including without limitation the General Partner acting as liquidator), each Principal, the Management Company (if any), the members of any committee of the Partnership, and each partner, member, stockholder, officer, director, manager, employee, consultant, Advisory Board, agent or Affiliate of any of the foregoing.

13.1.2 **Further Limitations.**

No action, suit or proceeding may be brought by any Limited Partner against a Covered Person with respect to any investment or any other act or omission by such Covered Person which relates to either the Partnership, or the Limited Partners, as applicable, taken as a whole, or any class or group of Limited Partners or, as applicable, that are affected in the same manner), unless such action, suit or proceeding is brought by a Majority-in-Interest of the Partners, if with respect to the Partnership taken as a whole.

13.1.3 **Activities of Others.**

No Covered Person shall be liable for the negligence (whether by action or omission), dishonesty or bad faith of any employee, broker or other agent of the Partnership selected by any Covered Person with reasonable care.

13.1.4 **Advisory Board Members.**

No member of the Advisory Board shall be liable to the Partnership or any Limited Partner for any loss suffered by the Partnership, any Partner which arises out of any action or omission of such member, *provided that* such member's act or omission of act did not constitute fraudulent or willful misconduct.

13.1.5 **Liquidator.**

No Person (other than the General Partner) that serves as liquidator pursuant to Article 11 shall be liable to the Partnership or any Partner for any loss suffered by the Partnership or any Partner which arises out of any action or omission of such Person, *provided that* such Person acted in good faith.

13.1.6 **Advice of Experts.**

No Covered Person, no member of the Advisory Board and no Person serving as liquidator shall be liable to the Partnership or any Partner with respect to any action or omission taken or suffered by any of them in good faith if such action or omission is taken or suffered in reliance upon and in accordance with the opinion or advice of legal counsel (as to matters of law), or of accountants (as to matters of accounting), or of investment bankers, accounting firms, or other appraisers (as to matters of valuation), *provided that* any such professional or firm is selected by any such Person with reasonable care.

13.2 INDEMNIFICATION.

13.2.1 **General.**

The Covered Persons, each member of the Advisory Board and each Limited Partner that designated a member to the Advisory Board (each, an "**Indemnitee**") shall be indemnified (whether or not the Indemnitee continues to serve in such capacity at the time such action, suit or proceeding is brought or threatened), subject to the other provisions of this Agreement, by the Partnership (only out of Partnership assets) against any claim, demand, controversy, dispute, cost, loss, damage, expense (including attorneys' fees), judgment and/or liability incurred by or imposed upon the Indemnitees in connection with any action, suit or proceeding (including any proceeding before any administrative or legislative body or agency), to which the Indemnitees may be made a party or otherwise involved or with which the Indemnitees shall be threatened, by reason of the Indemnitee's being at the time the cause of action arose or thereafter, an Indemnitee, a liquidator, a member of the Advisory Board, a Limited Partner that designated a member of the Advisory Board, a partner, member, stockholder, director, officer, manager, trustee, employee, agent or Affiliate of any of the foregoing, or a partner, member, stockholder, director, officer, manager, trustee, employee, consultant or agent of any other organization in which the Partnership owns or has owned an interest or of which the Partnership is or was a creditor, which other organization the Indemnitee serves or has served as a partner, member, stockholder, director, officer, manager, trustee, employee, consultant or agent at the request of the Partnership, or by reason of actions or omissions taken or suffered in any such capacity.

13.2.2 **Limitation on Indemnification.**

An Indemnitee shall not be indemnified (a) in connection with any action, suit or proceeding solely among the General Partner, a Principal and/or their respective Affiliates, or (b) with respect to matters as to which the Indemnitee shall have been finally adjudicated in any such action, suit or proceeding to have acted with fraud, intentional misconduct or gross negligence (as such term is defined under the laws of the State of Delaware, United States).

13.2.3 **Advance Payment of Expenses.**

The Partnership shall pay the expenses incurred by an Indemnitee in connection with any such action, suit or proceeding, or in connection with claims arising in

connection with any potential or threatened action, suit or proceeding, in advance of the final disposition of such action, suit or proceeding, upon (a) the assignment by such Indemnitee of any and all rights that the Indemnitee may have to seek indemnification from a Third Party Indemnifier with respect to such action, suit or proceeding, (b) the execution of a written agreement between the Partnership and the Indemnitee reflecting that, as a result of the advancement of such expenses, the Partnership is subrogated to the Indemnitee's rights to pursue a claim for indemnification from a Third Party Indemnifier with respect to such action, suit or proceeding, and (c) receipt of an undertaking by such Indemnitee to repay such payment if the Indemnitee shall be determined to be not entitled to indemnification for such expenses pursuant to this Article 13 (whether by virtue of such Person's conduct, the receipt of a corresponding indemnification payment from a Third Party Indemnifier with respect to such matter, or otherwise); *provided*, *however*, that in such instance the Indemnitee is not defending an actual or threatened claim, action, suit or proceeding against the Indemnitees by the General Partner directly or indirectly through the Partnership (or by the Indemnitee against the Partnership and/or the General Partner).

13.2.4 **Insurance.**

At its election, the General Partner may cause the Partnership to purchase and maintain insurance, at the expense of the Partnership and to the extent available, for the protection of any Indemnitee or potential Indemnitee against any liability incurred in any capacity which results in such Person being an Indemnitee (provided that such Person is serving or has served in such capacity at the request of the Partnership or the General Partner), whether or not the Partnership has the power to indemnify such Person against such liability. The General Partner may purchase and maintain insurance on behalf of and at the expense of the Partnership for the protection of any officer, director, manager, employee or other agent of any other organization in which the Partnership owns an interest or of which the Partnership is a creditor against similar liabilities, whether or not the Partnership has the power to indemnify any Person against such liabilities.

13.2.5 **Successors.**

The foregoing right of indemnification shall inure to the benefit of the executors, administrators, personal representatives, successors or assigns of each such Indemnitee.

13.2.6 **Rights to Indemnification from Other Sources.**

13.2.6.1 The rights to indemnification and advancement of expenses conferred in this Section 13.2 shall not be exclusive and shall be in addition to any rights to which any Indemnitee may otherwise be entitled or hereafter acquire under any law, statute, rule, regulation, charter document, by-law, contract or agreement. If and to the extent indemnification is available to an Indemnitee from any Third Party Indemnifier, the Indemnitee will use commercially reasonable efforts to obtain indemnification from such Third Party Indemnifier before seeking indemnification from the Partnership; provided, that, the foregoing shall not limit the advance payments of expenses provided for in Section 13.2.3 or otherwise prejudice the Indemnitee in any way.

13.2.6.2 **Priority of Indemnification Sources**

The Partners hereby expressly intend that the provisions of this Section 13.2 shall be interpreted to reflect an ordering of liability for potentially overlapping or duplicative indemnification payments to an Indemnitee, with any applicable Third Party Indemnifiers having primary liability and the Partnership having only secondary liability. In the event the Partnership makes any indemnification payments to an Indemnitee with respect to any action, suit, or proceeding, the Partnership shall be, automatically and without the need for any further action on the part of any Person, subrogated to the Indemnitee's rights to pursue a claim for indemnification from a Third Party Indemnifier with respect to such action, suit, or proceeding.

13.2.7 **Discretionary Limitation by General Partner.**

Notwithstanding Sections 13.2.1 and 13.2.3, the General Partner in its sole discretion may limit or eliminate indemnification payments that otherwise would be made by the Partnership to any Indemnitee, other than a member of the Advisory Board or a Limited Partner that designated such member.

13.2.8 **Enforcement Rights.**

Each Covered Person and Indemnitee shall have the right to enforce this Article 13 provided that this Section 13.2 may be rescinded or varied in accordance with Article 14 without the consent of any Covered Person or Indemnitee.

13.3 LIMITATION BY LAW.

If any Covered Person or Indemnitee or the Partnership itself is subject to any law, rule or regulation which restricts the extent to which any Person may be exculpated or indemnified by the Partnership, the exculpation provisions set forth in Section 13.1 and the indemnification provisions set forth in Section 13.2 shall be deemed to be amended, automatically and without further action by the Partners, to the minimum extent necessary to conform to such restrictions.

ARTICLE 14 - AMENDMENTS, VOTING AND CONSENTS

14.1 AMENDMENTS.

14.1.1 **Required Consent.**

14.1.1.1 Except as otherwise provided in this Agreement, the terms and provisions of this Agreement may be waived, modified, terminated or amended, during or after the term of the Partnership, with the prior written consent of the General Partner and a Majority-in-Interest of the Partners; ***provided, however***, that any provision of this Agreement requiring the written vote or consent of a greater percentage in interest of the Limited Partners may be waived, modified, terminated or amended only with the vote or written consent of the General Partner and such greater percentage in interest of the Limited Partners as is required by such provision.

14.1.1.2 If a Feeder Fund or a Parallel Fund is formed, then (i) the required consent for waiver, modification, termination or amendment of this Agreement and the organizational documents of the Feeder Fund or the Parallel Fund, as applicable, or other vote or consent provided for in this Agreement and the organizational documents of the Feeder Fund or the Parallel Fund, as applicable, shall be a Majority-in-Interest (or higher percentage if applicable) of the Fund Investors, regardless of whether a Majority-in-Interest (or higher percentage if applicable) of the Partners, taken separately, consents thereto, and (ii) the General Partner shall use its reasonable efforts to cause substantially identical amendments to be made to this Agreement and to the organizational documents of a Parallel Fund, subject to any special regulatory, tax or other requirements applicable to the Partnership, a Parallel Fund or their investors.

14.1.1.3 Any provision of this Agreement or the organizational documents of a Parallel Fund that relates to any special regulatory, tax or other requirement and appears only in this Agreement or such other agreement or document may be amended with the consent of the General Partner and a Majority-in-Interest (or higher percentage if applicable) of the Limited Partners participating in the Partnership, or the equivalent non-managing equity holders in any Parallel Fund, as applicable.

14.1.1.4 The provisions of this Agreement may be amended with respect to any particular class of Units without the consent of any other Limited Partners not holding such class of Units, upon the written consent of a majority in Interest of the Limited Partners of such class of Units, ***provided that*** the terms of such amendment do not materially adversely affect any other classes of Units.

14.1.1.5 Notwithstanding the other provisions of this Article 14, the General Partner, without the consent of any other Partner, may amend any provisions of this Agreement ***provided that*** the General Partner determines that: (i) the required amendment is merely technical (including to correct any printing or clerical error or to clarify any ambiguity or contradiction in the provisions of the Agreement), or if the amendment is solely intended for the purpose of compliance with the requirements of any law or any governmental authority; (ii) the Limited Partners will only benefit from the amendment, or that the amendment is designated to add to the duties or obligations of the General Partner, or to surrender any right granted to it; or (iii) to make any change necessary or advisable in order to ensure that any actions contemplated hereunder comply, with the Act, and to ensure that no adverse effect shall occur to the Limited Partners, the General Partner or an Affiliate thereof as a result of the application of law, that may apply in the absence of such amendment.

14.1.2 **Amendments Affecting Partners' Economic Rights.**

No amendment of this Agreement shall dilute the Interest of any Limited Partner relative to the Interests of the other Limited Partners in the profits or capital of the Partnership or in allocations or distributions attributable to the ownership of such interest without the prior written consent of such Limited Partner. This Section 14.1.2 shall not be amended without the unanimous consent of all Partners.

14.1.3 **Notice of Amendments.**

The General Partner shall furnish copies of any proposed amendments of this Agreement to all Limited Partners (or, if applicable, to the specified class or group of Limited Partners whose consent is required) and shall furnish copies of any amendments to this Agreement to all Partners, other than changes in the List of Partners to reflect the admission, withdrawal or substitution of Partners, changes in the addresses of Partners or otherwise in accordance with Article 4, and changes in the Contributions of Partners (in each case occurring pursuant to this Agreement), which shall not require the consent of or notice to any Limited Partner.

14.2 VOTING AND CONSENTS.

Subject to Section 14.1.1 with respect to any Parallel Fund, whenever action is required by this Agreement to be taken by a specified percentage in Interest of the Limited Partners, such action shall be deemed to be valid if taken upon the written vote or written consent of those Limited Partners whose NAV of a Partner represent the specified percentage of the NAV of the Partnership at the time. Similarly, whenever action is required by this Agreement to be taken by a specified percentage in interest of a specified class or group of Limited Partners such action shall be deemed to be valid if taken upon the written vote or written consent of those Limited Partners of such class or group whose NAV of a Partner represent the specified percentage of the NAV of the Partnership of all Limited Partners of such class or group at the time.

ARTICLE 15 - ADMINISTRATIVE PROVISIONS

15.1 KEEPING OF ACCOUNTS AND RECORDS.

15.1.1 **Accounts and Records.**

At all times the General Partner shall cause to be kept proper and complete books of accounts, in which the transactions of the Partnership shall be entered fully and accurately. Such books of accounts shall be kept on the accrual method of accounting. The General Partner shall also maintain: (a) an executed copy of this Agreement (and any amendments hereto) as may be in effect from time to time; (b) the Certificate of Limited Partnership (and any amendments thereto); (c) executed copies of any powers of attorney pursuant to which any document described in clause (a) has been executed by the Partnership; (d) the List of Partners; (e) copies of all tax returns filed by the Partnership for each of the prior five years; and (f) all financial statements of the Partnership for each of the prior three years. Such books and records shall at all times be maintained at the principal office of the Partnership.

15.1.2 **Registers.**

The General Partner shall also cause to be maintained the Statutory Registers at the Partnership's principal office in accordance with the requirements of the Act.

15.2 FINANCIAL REPORTS.

15.2.1 **Annual Financial Statements.**

The General Partner shall provide to each Partner, (i) within 180 days after the close of each fiscal year, the audited financial statements of the Partnership for such fiscal year, (ii) within 60 days after the close of each of the first three fiscal quarters of each fiscal year, a brief summary pertaining to the Portfolio Investments Commencing with the fiscal year in which the Initial Subscription Date occurs and for each fiscal year thereafter, the Partnership's financial statements shall be prepared in accordance IFRS, and audited by an internationally recognized firm of independent public accountants.

15.2.2 **Annual Tax Information.**

The General Partner shall transmit to each Partner, within 180 days after the close of each fiscal year, a report indicating such Partner's share of all items of income or gain, expense, loss or other deduction and tax credit of the Partnership for such year, as well as the status of such Partner's Partner Account as of the end of such year, and such additional information as such Partner reasonably may request, in a written notice to the General Partner, to enable it to complete its tax returns or to fulfill any other reporting requirements, provided that the General Partner can obtain such additional information without unreasonable effort or expense.

In addition, the General Partner shall use commercially reasonable efforts to cause the Partnership accountants to prepare and deliver, at Partnership expense, to each Partner on a timely basis an information reporting return (K-1) reflecting each Partner's distributive share of all income, gain, loss, deductions, allowances or credits of the Partnership for each Partnership Accounting Year, no later than ninety (90) days after the end of the applicable fiscal year of the Partnership. If there is a dispute as to the content of the Partnership's tax returns, such returns shall be filed as directed by the General Partner (with notice to the Partners contemporaneously with such filing that includes a copy of such tax returns).

15.3 VALUATION.

15.3.1 **Valuation of Fund Assets**.

15.3.1.1 The General Partner through the Administrator shall value the NAV of the Partnership as of the close of business on each Calculation Date in accordance and subject to the provisions of this Agreement. Such valuation of assets of the Partnership shall be used and be the base for all purposes and/or each relevant action of the Partnership including distributions in kind.

15.3.1.2 In determining the value of the assets of the Partnership no value shall be placed on the goodwill or name of the Partnership or the office records, files, statistical data or any similar intangible assets of the Partnership not normally reflected in the Partnership's accounting records, but there shall be taken into consideration any related items of income earned but not received, expenses incurred but not yet paid, liabilities fixed or contingent, prepaid

expenses to the extent not otherwise reflected in the books of account, and the value of options or commitments to purchase or sell securities or commodities pursuant to agreements entered into on or prior to such Calculation Date.

15.3.2 **Net Asset Value of the Partnership**.

15.3.2.1 The General Partner has delegated to the Administrator the determination of the NAV of the Partnership. In calculating the NAV, the General Partner and the Administrator may rely on, and will not be responsible for the accuracy of, financial data furnished to it by third parties including automatic processing services, brokers, market makers or intermediaries.

15.3.2.2 The NAV of the Partnership is the value of its gross assets less its gross liabilities. These assets include the sum of all cash, accrued dividend and interest, un-amortized expenses and the value of all investments held by the Partnership. Total liabilities include borrowings (if any), all accrued expenses and fees, and any contingencies (including tax) for which reserves are determined to be required.

15.3.2.3 In calculating the NAV the Administrator shall apply such generally accepted accounting principles.

15.3.3 **Determination of the NAV per Unit**.

15.3.3.1 The NAV per Unit is calculated as at the Calculation Date by dividing the NAV of the Partnership of the relevant class as so calculated by the total number of Units of such class outstanding, and reducing the accrued Performance Fee per Unit, if any.

15.3.3.2 Where different entitlements, costs or liabilities apply in respect of a respective Class of Units held by certain Partners, these are excluded from the initial calculation of the NAV of the Partnership and shall be applied separately to the NAV allocated to such Partners as appropriate.

15.3.3.3 NAV per Unit shall be rounded to the nearest cent or such other amount as the Administrator may determine and the benefit of any such rounding may be retained by the Partnership.

15.3.3.4 The General Partner has delegated to the Administrator the determination of the NAV per Unit.

15.3.4 **Valuation by General Partner.**

Whenever valuation of Partnership assets is required by this Agreement, the General Partner either by itself or through the Administrator shall determine the fair market value thereof in good faith based on consultation with appraising/valuation experts in the field of business of the Partnership and in accordance with this Section 15.3.

15.3.5 **Goodwill and Intangible Assets.**

In determining the fair market value of the assets of the Partnership, no allowance of any kind shall be made for goodwill or the name of the Partnership or of the General Partner, the Partnership's office records, files and statistical data or any intangible assets of the Partnership in the nature of or similar to goodwill. The Partnership's name is used by the Partnership pursuant to a license from the General Partner or an Affiliate thereof, and the Partnership's goodwill shall, as among the Partners, be deemed to have no value, and no Partner shall have any right or claim individually to the use of the Partnership's name or the goodwill thereof. At the time of the Partnership's final liquidating distribution, the Partnership's name and any goodwill associated with it shall be automatically assigned to whom the General Partner instructs, without any further action by any Partner.

15.4 PARTNERS' MEETINGS.

The General Partner may cause the Partnership to hold Partners' meetings, on an annual basis or otherwise, in which it will, *inter alia*, present the Portfolio Investments of the Fund.

15.5 NOTICES.

Except where otherwise specifically provided in this Agreement, all notices, requests, consents, approvals and statements shall be in writing and, if properly addressed to the recipient, shall be deemed given if (a) delivered personally to the recipient; (b) mailed by first class mail (or if sent to or from outside Israel, by airmail), postage prepaid; (c) sent by electronic mail or electronic facsimile transmission; or (d) delivered by a reputable overnight courier service. Notices shall be deemed to be properly addressed, if to the Partnership, at its principal office, and if to any Partner, if addressed to its address, facsimile number or electronic mail address, as applicable, as set forth in the List of Partners, or to such other address or facsimile number as the addressee previously may have specified by written notice given in the manner specified in this Section 15.5 to the Partnership, in the case of the Limited Partners, or to the Limited Partners, in the case of the Partnership or the General Partner. Notices shall be deemed received one Business Day after they are given, sent or delivered, except that notices sent by first class mail or airmail shall be deemed received three Business Days after they are mailed.

15.6 ACCOUNTING PROVISIONS.

15.6.1 **Fiscal Year.**

The fiscal year of the Partnership shall be the calendar year.

15.6.2 **Independent Accountants.**

The Partnership's independent public accountants shall at all times be an internationally recognized independent public accounting firm selected by the General Partner. The General Partner may change the Partnership's accountants from time to time.

15.6.3 **Functional Currency.**

The functional currency of the Partnership will be US$. Accordingly, the financial statements of the Partnership and the Contributions required to be made by the limited partners and all distributions to be made to the limited partners will be made in US$.

15.7 TAX PROVISIONS.

15.7.1 **Payment of Taxes.**

If the Partnership incurs an obligation to pay directly any amount in respect of taxes with respect to amounts allocated repaid or distributed to one or more Partners, including but not limited to withholding taxes imposed on any Partner's or former Partner's share of the Partnership gross or net income and gains (or items thereof), income taxes, and any interest, penalties or additions to tax ("**Tax Liability**"), or if the amount of a payment or distribution of cash or other property to the Partnership is reduced as a result of withholding by other parties in satisfaction of any such Tax Liability:

15.7.1.1 All payments by the Partnership in satisfaction of such Tax Liability and all reductions in the amount of a payment or distribution that the Partnership otherwise would have received shall be treated, pursuant to this Section 15.7, as distributed to those Partners or former Partners to which the related Tax Liability is attributable;

15.7.1.2 Notwithstanding any other provision of this Agreement, subsequent distributions to the Partners shall be adjusted by the General Partner in an equitable manner so that, to the extent feasible, the burden of taxes withheld at the source or paid by the Partnership is borne by those Partners to which such Tax Liability is attributable; and

15.7.1.3 The General Partner in its sole discretion may cause any amount treated pursuant to Section 15.7.1.1 as distributed to any Partner or former Partner at any time that exceeds the amount, if any, of distributions to which such Person is then entitled under this Agreement to be treated as a loan to such Person, and the General Partner shall give prompt written notice to such Person of the amount of such loan. In such event, the General Partner may require the repayment of such loan in a prior written notice of 30 days. If such loan is not repaid within 30 days of notice, it shall bear interest at a rate of 5% per annum, compounded annually, and the General Partner shall be authorized to deduct this amount from future distributions to that Partner, or to take any measures in order to collect such amount. Each Partner covenants, for itself, its successors, assigns, heirs and personal representatives, that such Person shall repay any such loan immediately upon the demand of the General Partner.

15.7.1.4 The General Partner, by itself or through a service provider to be appointed by it, shall calculate the amount (if any) of withholding tax or other tax obligation by the Partnership which may be payable by each Partner in respect of such Partner's share of Partnership income.

15.7.1.5 The amount of withholding or other tax remitted by the Partnership at any time during a calendar month shall be treated as having been remitted as of the start of such calendar month for purposes of calculating the Management Fees pursuant to Article I and Section 4.3.1, respectively.

15.7.1.6 The General Partner shall not be obligated to apply for or obtain a reduction of or exemption from withholding on behalf of any Partner that may be eligible for such reduction or exemption.

15.7.1.7 Except as otherwise provided for in this Agreement, any expenditures payable by the Partnership, to the extent determined by the General Partner to have been paid or withheld on behalf of, or by reason of particular circumstances applicable to, one or more but fewer than all of the Partners, shall be charged only to those Partners on whose behalf such payments are made or whose particular circumstances gave rise to such payments. Such charges shall be debited from such Partners during the calendar month during which any such items were paid by the Partnership by way of Redemption of Units held by such Partners and utilizing the redemption proceeds to settle the payments made on such Partners' behalf, unless the General Partner, in its discretion, reasonably determines not to so debit such Partners. If the amount of any such charges or any taxes referred to herein is greater than such Partner's NAV of a Partner at the relevant time, then the General Partner shall pay the amount of such excess to the Partnership as a contribution to the capital of the Partnership, if determined appropriate by the General Partner, or otherwise such amounts will be borne by the Partnership.

15.7.2 **Tax Liability.**

The General Partner, after consulting with the Partnership's accountants or other advisers, shall determine the amount, if any, of any Tax Liability attributable to any Partner. For this purpose, the General Partner shall be entitled to treat any Partner as ineligible for an exemption from or reduction in rate of such Tax Liability under a tax treaty or otherwise except to the extent that such Partner provides the General Partner with such written evidence as the General Partner or the relevant tax authorities may require to establish such Partner's entitlement to such exemption or reduction.

15.7.3 **Partnership Obligation.**

For purposes of this Section 15.7, any obligation to pay any amount in respect of any Tax Liability incurred by the General Partner or any member of the General Partner with respect to income of distributions made to any other Partner or former Partner shall constitute a Partnership obligation.

15.7.4 **Tax Transparency Reporting**

Each Limited Partner shall provide the General Partner on a timely basis with any documents, tax certifications, financial and other information (collectively "**Tax Reporting Information**") as the General Partner may request in connection with the Partnership's compliance with any legal and tax information reporting and exchange obligations applicable to it

under the laws of any applicable jurisdiction (collectively, "**Tax Reporting Obligations**"), including, without limitation, any Tax Reporting Obligations under any U.S. federal state and local laws, regulations or guidance notes that give effect to AEOI.

The General Partner shall have the power to release, report or otherwise disclose to any U.S. federal, state, local or Israeli tax authorities (or any other authority as may be required under the Tax Reporting Obligations) any Tax Reporting Information provided to them by a Limited Partner and any other information it holds in respect of the Limited Partner's investment in the Partnership, in connection with the Tax Reporting Obligations, including, without limitation, in relation to the identity, address, tax identification number, tax status and interest in the Partnership of the Limited Partner (and any of its direct or indirect owners or affiliates).

15.7.5 **Tax Reporting Liabilities**

If a Limited Partner fails to provide the General Partner with any requested Tax Reporting Information on a timely basis and such failure results, or may result, in the Partnership's inability to comply with its Tax Reporting Obligations or if the Partnership is otherwise unable to comply with its Tax Reporting Obligations as a result of the direct or indirect action (or inaction) of a Limited Partner, the General Partner may:

15.7.5.1 require the compulsory withdrawal of some or all of the Limited Partner's interest without notice and may deduct or withhold from the amount payable upon such withdrawal any penalty, debt, withholding or back up tax, costs, expenses, obligations, liabilities or other adverse consequences (collectively, "**Tax Reporting Liabilities**") imposed on the Partnership, any of its Partners and/or any of their respective directors, officers, employees, agents, managers, shareholders and/or partners as a result of such failure, action or inaction by such Limited Partner; and/or

15.7.5.2 re-designate, immediately and without consent, such Limited Partner's interest as belonging to a separate class so that any Tax Reporting Liabilities may be allocated solely to and debited solely from that class.

15.7.6 **Tax Reporting Consistency**

Each Limited Partner shall report the tax items attributable to its participation in the Partnership on its income tax returns in a manner consistent with the tax treatment of such items as reported to it by the Partnership.

15.7.7 **Value Added Tax**

Value added taxes, to the extent applicable to any amounts under this Agreement, shall be borne by the Partnership (including with respect to Management Fees and Performance Fee, to the extent applicable).

15.8 GENERAL PROVISIONS.

15.8.1 **Power of Attorney.**

Each Limited Partner by execution of this Agreement constitutes and appoints the General Partner as its true and lawful representative and attorney-in-fact, with full power of substitution, in its name, place and stead, to make, execute, sign, acknowledge and deliver or file (a) all amendments of this Agreement contemplated by this Agreement including, without limitation, amendments reflecting the addition of any Partner, or any action of the Partners duly taken pursuant to this Agreement whether or not such Partner voted in favor of or otherwise approved such action, (b) one or more Subscription Agreements, on behalf of such Limited Partner, between the Partnership and any other Person being admitted to the Partnership as a Limited Partner pursuant to this Agreement, in such form and such other terms and conditions as the General Partner considers, in its sole and absolute discretion, necessary or appropriate, including reference to this Agreement and its novation and agreeing and covenanting with such Person on behalf of such Limited Partner that such Limited Partner will from the effective date of such Subscription Booklet or agreements comply with and observe the terms of this Agreement, (c) any other instrument, certificate or document required from time to time to admit a Partner, to effect the admission of the Partner's assignee as a Partner, or to reflect any action of the Partners provided for in this Agreement (including without limitation, the admission of any Partner to a Parallel Fund), and (d) any other instrument, certificate or document required from time to time to effect the Transfer of a Partner's interest as may be required for compliance of the Partnership and the General Partner with applicable laws; *provided, however*, that no actions shall be taken by the General Partner under the power of attorney granted pursuant to this 15.8.1 (i) in bad faith, (ii) in a manner that would subvert its obligations, including with respect to a Limited Partner, under this Agreement, or (iii) that would have any adverse effect on the limited liability of any Limited Partner. The foregoing grant of authority (1) is a special power of attorney deemed coupled with an interest in favor of the General Partner and as such shall be irrevocable and shall survive the death or disability of a Partner that is a natural person or the merger, dissolution or other termination of the existence of a Partner that is a corporation, association, partnership, limited liability company or trust, and (2) shall survive the assignment by the Partner of the whole or any portion of its interest, except that where the assignee of the whole thereof has furnished a power of attorney, this power of attorney shall survive such assignment for the sole purpose of enabling the General Partner to execute, acknowledge and file any instrument necessary to effect any permitted admission of the assignee for the assignor as a Partner and shall thereafter terminate.

15.8.2 **Execution of Additional Documents.**

Each Partner hereby agrees to execute all certificates, counterparts, amendments, instruments or documents that may be required by laws of the various jurisdictions in which the Partnership conducts its activities, to conform with the laws of such jurisdictions governing limited partnerships.

15.8.3 **Binding on Successors.**

This Agreement shall be binding upon and shall inure to the benefit of the respective heirs, successors, permitted assigns and legal representatives of the parties hereto.

15.8.4 **Waiver of Partition.**

Each Partner hereby irrevocably waives any and all rights that it may have to maintain an action for partition of any of the Partnership's property.

15.8.5 **Securities Law Matters.**

Each Partner understands that in addition to the restrictions on transfer contained in this Agreement, it must bear the economic risks of its investment for an indefinite period because the Partnership interests have not been registered under any applicable securities laws of any jurisdiction and, therefore, may not be sold or otherwise transferred unless they are registered under applicable securities laws or an exemption from such registration is available.

15.8.6 **Confidentiality.**

15.8.6.1 A Limited Partner's rights to access or receive any information about the Partnership or its business including, without limitation, (i) information to which a Limited Partner is provided access pursuant to Section 15.2 (ii) financial statements, reports and other information provided pursuant to Section 15.2, (iii) the offering documents for the Partnership, this Agreement, any Subscription Booklet and any other related agreements, and (iv) any information provided to any Limited Partner pursuant to a side letter (together, the "**Partnership Information**"), are conditioned on such Limited Partner's willingness and ability to assure that the Partnership Information will be used solely by such Limited Partner for purposes reasonably related to such Limited Partner's interest as a Limited Partner, and that such Partnership Information will not become publicly available as a result of such Limited Partner's rights to access or receive such Partnership Information.

15.8.6.2 Each Limited Partner acknowledges and agrees that the Partnership Information constitutes a valuable trade secret of the Partnership and agrees to maintain any Partnership Information provided to it in the strictest confidence and not to disclose the Partnership Information to any Person other than to its officers, fiduciaries, employees, agents or consultants who have a business need to know such Partnership Information, who have been informed of the confidential nature of such Partnership Information, and who are, either by the nature of their positions or duties or pursuant to written agreement, subject to substantially equivalent restrictions with respect to the use and disclosure of the Partnership Information as are set forth in this Agreement. With respect to any Limited Partner, the obligation to maintain the Partnership Information in confidence shall not apply to any Partnership Information (i) that becomes publicly available (other than by reason of a disclosure by a Limited Partner), (ii) the disclosure of which has been consented to by the General Partner in writing, or (iii) the disclosure of which is required by a court of competent jurisdiction or other governmental authority or otherwise as required by law. Before any Limited Partner discloses Partnership Information

pursuant to clause (iii), such Limited Partner shall promptly, and in any event prior to making any such disclosure, notify the General Partner of the court order, subpoena, interrogatories, government order or other reason that requires disclosure of the Partnership Information so that the General Partner may seek a protective order or other remedy to protect the confidentiality of the Partnership Information or waive compliance with this Agreement. Such Limited Partner shall also consult with the General Partner on the advisability of taking steps to eliminate or narrow the requirement to disclose the Partnership Information and shall otherwise cooperate with the efforts of the General Partner to obtain a protective order or other remedy to protect the Partnership Information. If a protective order or other remedy cannot be obtained, such Limited Partner shall disclose only that Partnership Information that its counsel advises in writing (which writing shall also be addressed and delivered to the Partnership) that it is legally required to disclose.

15.8.6.3 Each Limited Partner shall promptly notify the General Partner if it becomes aware of any reason, whether under law, regulation, policy or otherwise, that it or any of its equity holders will, or might become compelled to, use the Partnership Information other than as contemplated by Section 15.8.6.1 or disclose Partnership Information in violation of the confidentiality restrictions in Section 15.8.6.2.

15.8.6.4 Notwithstanding any other provision of this Agreement, the General Partner shall have the right not to provide any Limited Partner, for such period of time as the General Partner in good faith determines to be advisable, with any Partnership Information that such Limited Partner would otherwise be entitled to receive or to have access to pursuant to this Agreement (including without limitation pursuant to Section 15.2) or the Act if: (i) the Partnership or the General Partner is required by law or by agreement with a third party to keep such Partnership Information confidential; (ii) the General Partner in good faith believes that the disclosure of such Partnership Information to such Limited Partner is not in the best interest of the Partnership or could damage the Partnership or its business (which may include a determination by the General Partner that such Limited Partner or one or more of its equity holders is disclosing or may disclose such Partnership Information and that the potential of such disclosure by such Person is not in the best interest of the Partnership or could damage the Partnership or its business) or (iii) such Limited Partner has notified the General Partner of its election not to have access to, or to receive such Partnership Information.

15.8.6.5 The Limited Partners acknowledge and agree that: (i) the Partnership or the General Partner and its partners may acquire confidential information related to third parties (e.g., Portfolio Investments and their related entities) that pursuant to fiduciary, contractual, legal or similar obligations cannot be disclosed to the Limited Partners; and (ii) neither the Partnership nor the General Partner and its partners shall be in breach of any duty under this Agreement or the Act in consequence of acquiring, holding or failing to disclose such information to the Limited Partners so long as such obligations were undertaken in good faith.

15.8.6.6 In addition to any other remedies available at law, the Partners agree that the Partnership shall be entitled to equitable relief, including, without limitation, the right to an injunction or restraining order, as a remedy for any failure by a Limited Partner to comply with its obligations with respect to the use and disclosure of Partnership Information, as set forth in 15.8.6.1 and 15.8.6.2.

15.8.7 **Contract Construction; Headings; Counterparts.**

Whenever the context of this Agreement permits, the masculine gender shall include the feminine and neuter genders, and reference to singular or plural shall be interchangeable with the other. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the other provisions, and this Agreement shall be construed and reformed in all respects as if any such invalid or unenforceable provision(s) were omitted or, at the direction of a court, modified in order to give effect to the intent and purposes of this Agreement. References in this Agreement to particular sections of the Act or any other statute shall be deemed to refer to such sections or provisions as they may be amended after the date of this Agreement. Captions in this Agreement are for convenience only and do not define or limit any term of this Agreement. It is the intention of the parties that every covenant, term, and provision of this Agreement shall be construed simply according to its fair meaning and not strictly for or against any party (notwithstanding any rule of law requiring an Agreement to be strictly construed against the drafting party), it being understood that the parties to this Agreement are sophisticated and have had adequate opportunity and means to retain counsel to represent their interests and to otherwise negotiate the provisions of this Agreement. This Agreement or any amendment hereto may be signed in any number of counterparts, each of which when signed by the General Partner shall be an original, but all of which taken together shall constitute one agreement or amendment, as the case may be.

15.8.8 **Applicable Law; Jurisdiction**

This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, U.S.

Any disputes arising under or in connection with this Agreement may be brought and enforced solely in the courts of Tel Aviv, Israel, and the parties irrevocably submit to the exclusive jurisdiction of such courts in respect of any such action or proceeding. The parties irrevocably waive, to the fullest extent permitted by law, any objection that they may now or hereafter have to the laying of venue of any such action or proceeding in the courts of Tel Aviv and any claim that any such action or proceeding brought in any such court has been brought in any inconvenient forum. Each party hereby irrevocably consents to the service of process of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at its address as set forth herein.

15.8.9 **Letter Agreements.**

Notwithstanding anything in this Agreement to the contrary, the Partnership and/or the General Partner may, in its sole discretion, enter into a letter agreement or side letter with one or more Limited Partners providing that the terms of this Agreement are amended and/or supplemented with respect to such Limited Partner. Solely with respect to any such Limited Partner, the terms of such letter agreement or side letter shall be controlling, and the terms of this Agreement shall be deemed amended, modified and/or supplemented to the extent required to effectuate the provisions of such letter agreements or side letters. In addition, the terms of any letter agreement or side letter entered into with a Limited Partner shall apply *mutatis*

mutandis to any Parallel Fund to which such Limited Partner is admitted as an equity holder or Alternative Investment Vehicle in which such Limited Partner's interest is held directly or indirectly, each to the extent relevant thereto. Other than as amended, modified and/or supplemented by such letter agreement or side letter, this Agreement shall remain in full force and effect with respect to such Limited Partner, and shall remain in full force and effect without any modification with respect to a Limited Partner who is not party to such letter agreement or side letter.
